

WILL PLACE DUTY ON MEATS AND FLOUR

**Sub-Committee Decides
Upon Important Altera-
tion of Underwood Bill**

FOR EQUALIZATION

**Action Taken is Wiser Than
Plan of Placing Livestock and
Grain on Free List**

APPROVE SUGAR SCHEDULE

WASHINGTON, JUNE 2.—Meats and flour will not go on the free list in the Democratic tariff law if the recommendation of the senate finance sub-committee in charge of the agricultural schedule is accepted.

This important alteration of the Underwood bill as it passed the house was determined upon today by the sub-committee composed of Senators Williams, Shively and Gore.

It was decided, in carrying out the determination to perfect the Underwood bill by equalizing raw materials and their products, that it would be wiser to levy nominal duties on meats and flour products than to put livestock and grain on the free list.

In accordance with this decision the sub-committee in revising the schedule took from the free list in the house bill fresh meats—beef, mutton, and pork—and made them dutiable at ten per cent ad valorem.

Wheat flour was restored to the dutiable list at the specific rate of 45 cents a barrel, with other wheat products at 10 per cent ad valorem and the Underwood duty on oats was reduced from 10 cents per bushel to 6 cents per bushel with a compensatory duty on oatmeal said to be approximately five per cent ad valorem. This rate on oatmeal was not definitely determined but it is assumed that the recommendation will be to take oatmeal from the free list. Cattle, sheep and hogs will be left as they are in the proposed bill, dutiable at 10 per cent ad valorem and the Underwood duty of 10 cents a bushel on wheat will stand.

Will Be Made Soon.
These recommendations will be made to the finance committee late this week or early next week and the senators who propose the change believe it will have the approval of the majority members and also of the Democratic caucus.

Soon after the passage of the Underwood bill by the house there were many protests against differentiating between raw materials and their products and it was one of the first features to be taken up with the senate leaders and President Wilson. Several weeks ago the committee determined to equalize the rates one way or another and a few days ago President Wilson was consulted about the matter by Senator Simmons, chairman of the finance committee and Senator Williams.

Free Sugar Approved.
Another development today was the approval without change of the sugar schedule as it passed the house, and other schedules, advanced to varying stages of completion in the sub-committee. It also was announced by Senator Shively of the finance committee that in his opinion the tariff bill as it goes to the senate committee will be a lower bill in the aggregate than the Underwood bill.

Restrict Program.
The house Democrats in caucus today restricted the legislative program of the present extra session to tariff, currency, emergency appropriations, election cases and committee assignments as submitted by Chairman Underwood and his colleagues of the ways and means committee majority were adopted by the caucus without change.

The legislative program as presented by Representative Underwood was made binding on the Democratic members of the standing committees of the house. The resolution by which this was accomplished provided that no standing committee—except the committee on ways and means, appropriations, printing, accounts and rules—shall report bills or resolutions to the house or have them placed on the calendars without permission expressly granted by the Democratic caucus.

Shackelford Chosen.
Following up the action of the house earlier in the day in creating a committee on good roads, the caucus chose Representative Shackelford of Missouri for chairman and named Representative Dickinson of Missouri, to succeed him as a member of the ways and means committee.

While the committee list was under consideration Representatives Booher, of Missouri and Tribble, of Georgia complained that Representative Maher of New York and Hensley of Missouri had been jumped to make room for Representatives Lewis of Maryland as chairman of the committee on labor. Mr. Lewis was ranked by the other two mem-

FOUR KILLED WHEN TRAIN HITS AUTO

**"WINNIPEG FLYER" CRASHES INTO
AUTO AT CROSSING—TWO ARE HURT**

After Short Race Along Strip of Road Running Parallel With Track the Automobile Passed the Train and the Driver Then Made the Fatal Attempt to Cross in Front of Speeding Train.

ELK RIVER, MINN., JUNE 2.—Four persons were killed, three of them almost instantly and two others were injured, when train No. 13 on the Northern Pacific road, known as the "Winnipeg Flyer," crashed into an automobile at a crossing near here today. The dead:

J. L. Dawson, Kalona, Ia., aged 66.
Mrs. J. L. Dawson, his wife, aged 65.

Frances Dawson, 8 years old.
Egon Dawson, brother of Mr. Dawson.

Mrs. C. C. Dawson and her small son were badly injured and were placed in the hospital here.

The Dawsons had purchased a farm at Clear Lake, Minn., and were driving from Kalona, Iowa, to their future home.

Farmers who witnessed the accident say the automobile passed the train after a short race along a strip of road running parallel with the track. The driver then attempted to cross the track in front of the train. The engine struck the machine, hurled the bodies several feet in the air, demolished the car and damaged the pilot of the engine. The Flyer left St. Paul half an hour late and on going over Coon river encountered a man walking on the bridge. The engineer blew the whistle, the man became excited and jumped into the river. This delayed the train thirty minutes and it was traveling rapidly when the crash with the automobile came, it is said.

The bodies probably will be sent to Kalona, Ia., for burial.

SENATOR HOAR HELD THAT POOL AGREEMENTS TO FIX PRICES LEGAL

**Framer of Sherman Anti-Trust
Law's Opinion Introduced By
Judge Gary.**

New York, June 2.—Evidence that the late Senator George F. Hoar of Massachusetts, who framed the Sherman anti-trust law, wrote an opinion one year after its enactment which held that steel manufacturers who entered pool agreements to fix prices, regulate output and divide profits could not be convicted under the law, came to light today at the hearings of the government dissolution suit against the United States steel corporation.

The opinion, written in 1891 by request, was put in evidence by attorneys for the corporations, saying that in the early days of the steel industry it was supposed by steel manufacturers and lawyers that that pools were legal. Three years ago pools of wire manufacturers were broken up by the government under the law and their members indicted and fined.

The opinion, Judge Gary said today, came from the files of Washburn Moen & Co., of Worcester, Mass., one of the concerns which participated in one of the wire pools of the early 90's and for whom he said, Senator Hoar acted as attorney. The witness said he had obtained it from the Washburn Moen Co. in 1897 when he was connected with a proposition to consolidate some of the wire concerns. He described the document as an opinion which showed the wire companies that they could enter into a combination to fix prices without violating the Sherman law.

MOTHER CALLED UPON TO SENTENCE HER SON

**Lad Found Guilty of Snatching
Pocketbook Must Earn Money to
Pay Back.**

Chicago, June 2.—A mother was called upon to pass sentence upon her 13-year-old son in the juvenile court today after the boy had been found guilty of snatching a pocketbook from a woman on the streets.

Judge Pinckney asked Mrs. Anna Burek, who had heard the testimony against her son Joseph, to determine his punishment.

"You must earn the money to pay for what you stole," said the mother. "You must promise to be in bed every night by 9 o'clock or I'll ask the judge to send you away until your hair grows gray," was her ruling.

The court considered the decision good and approved the sentence.

Members of the committee in the last congress. Representative Tribble said that it organized labor was to dictate the selection of a chairman of the house committee on labor, he would like to know why bankers should not dictate the chairmanship of the banking and currency committee, farmers the agricultural committee and so on.

The caucus gave Representative Lloyd of Missouri a silver loving cup in appreciation of his services as chairman of the Democratic congressional committee. Representative Palmer, presenting the cup, complimented Mr. Lloyd's management of various campaigns.

CHARGED WITH MURDER OF WIFE AND CHILDREN

**GEORGE E. SCHALL CHARGED WITH
KILLING OF FAMILY IN SAN FRANCISCO**

Bodies of His Invalid Wife and Three Sons Were Found in Ruins of the Schall Home Which Was Destroyed by Fire—Skulls of Children Were Broken to Bits.

PORTLAND, ORE., JUNE 2.—George E. Schall, formerly a sergeant in the hospital corps, U. S. A., was arrested at Vancouver, Wash., today charged with the murder of his wife and three children at the Presidio, San Francisco, last April. The bodies were found in the ruins of Schall's home in the non-commissioned officer's cantonment which was destroyed by fire. In a statement today, Schall declared his wife and children had been killed with an axe by some person unknown to him and the house set on fire.

Schall served twenty-seven years in the army. He was arrested at the home of his sister-in-law in Vancouver, and it was stated by the deputy United States marshal who took him into custody that he probably would not resist extradition.

Wife and Sons Perish.
San Francisco, June 2.—Shortly after Sergeant George E. Schall, who was arrested in Vancouver, Wash., today, left his cottage in the Presidio here on the night of April 26, the small frame house was burned to the ground. Within were Mrs. Schall, invalid wife, and her sons, Henry, Francis and Joseph, none of whom escaped.

It was supposed they had been burned to death but investigations of the ruins showed that the skulls of the children had been broken to bits.

Had Previously Insured Family.
George B. Stoper, a brother of the dead woman, working in conjunction with the officers of the post, learned that Schall had insured his family for \$100 each a few days before the fire.

In affidavits laid before the federal grand jury May 29, Lieut. William T. Cade of the hospital corps swore that Schall appeared little affected by news of the fire when he was told of the tragedy. His pockets showed all his enlistment papers since he entered the service. In explanation he said he was in the habit of carrying the papers with him, but in the affidavit they were described as showing no traces of pocket wear.

Schall collected his insurance and immediately after was given his discharge. While here he gave no hint that he supposed his wife and children had been murdered.

JAPAN ACCEPTS PRINCIPAL OF BRYAN'S PROPOSED PEACE PLAN

Action Has No Bearing Upon Negotiations Regarding California Alien Land Legislation.

Washington, June 2.—Viscount Chinda, the ambassador from Japan, today gave formal notification that Japan had accepted in principle the proposed plan advanced by the United States for Universal Peace.

Signatories of the treaty proposed in Mr. Bryan's plan would agree to refrain from hostilities for a period of at least nine months while any conflicting claims were under consideration by an international joint committee. In this afternoon the ambassador discussed this subject with various angles for half an hour but without any definite result.

The Japanese foreign office has not yet cabled the ambassador instructions regarding the submission of his rejoinder to the last American note and it is known that it is conducting an original investigation as basis for its rejoinder.

"LEOPARD SOCIETY" WILL BE WIPED OUT

London, June 2.—Convicted of the practice of cannibalism and human sacrifices, forty members of the "Leopard Society," a secret organization have been hanged in Sierra Leone, a British colony on the west coast of Africa.

Sir William Bradford Griffith, chief justice of the Gold Coast, who presided at the trials, arrived at Plymouth today. He declined to discuss the case, but fellow travelers said that one hundred members of the society had been arrested and that forty of them had been hanged while many were sentenced to deportation.

The "Leopard Society" had existed among the Mendi tribe and has long caused trouble to the government. All natives failing to conform to its rites or submit to its demands are subject to death or slavery.

MONDAY IN CONGRESS.

Senate.

In session at 2 p. m. Lobby investigating committee began open hearings. Finance sub-committees continued work on tariff schedules. Judiciary committee acted favorably on O'Gorman bill allowing chief justice to assign federal judges to circuits other than their own.

West Virginia coal mine strike investigating committee decided to begin hearings at Charleston, W. Va., June 10th.

Pacific Islands committee held hearings on Gronna bill to make Hawaii "dry" but took no action.

Senator Martine introduced concurrent resolution to suspend until action by congress custom district consolidation order.

Resolution for information on appointment of George H. Geo as postmaster at Salem, Ohio, was tabled.

Passed Tillman bill to commission naval academy graduates to staff corps or marine corps.

Senator O'Gorman introduced bill to create national commission on prisoner labor to study prison labor question and recommend uniform legislation. Adjourned at 6:20 p. m. until 2 p. m. Thursday.

House.

Met at noon and adjourned out of respect to the memory of the late Representative George Koenig, third Maryland district.

Speaker Clark appointed committee to attend funeral.

Democrats succeeded to ratify committee appointments.

Representative Hinebaugh introduced resolution to direct interstate commerce commission to investigate St. Louis and San Francisco railroad management for past year.

Representative Murdock introduced a bill for a naturalization committee to investigate, recommend and draft bills in interest of admitted aliens.

Adjourned at 2:10 p. m., until noon Tuesday.

MAYOR HARRISON DECLARES WAR ON CUTOFF MUFFLER

**Instructions McWeeney to Arrest All
Law Violators in This Respect
After Encounter With Jack Johnson's Auto.**

Chicago, June 2.—Mayor Harrison issued a personal order to the chief of police today directed against Prizefighter Jack Johnson's automobile. The mayor a few days ago leaped out of the way of a large machine which dashed past him with the muffler cut out, emitting smoke and noise like a rapid fire gun. Mr. Harrison did not know whose car it was but he observed a negro at the wheel while several white men sat in the tonneau.

He jotted down the number, 56-412, and sent to Springfield to find out whose car it was. When the reply came back that it belonged to "John Arthur Johnson," Mr. Harrison dictated a letter to Chief McWeeney.

"There was no interference by crossing policemen with the illegal operation of this car," he said. "An immediate arrest should be made whenever this car or one operated like it in defiance of law is seen to pass."

Mayor Harrison stated that he intended to have the cut out muffler outlawed in Chicago and if he had to put through an ordinance making it illegal to operate cars here in which the muffler can be cut out.

Jack Johnson has been arrested and fined a number of times in Chicago and nearby Indiana points.

JUSTICE COOKE TO BE CHIEF JUSTICE OF ILLINOIS SUPREME COURT

**Will Be Youngest Chief Justice in
Point of Service Illinois Ever
Had.**

Springfield, Ill., June 2.—Justice George A. Cooke, of Aledo, will tomorrow be elected chief justice of the Illinois supreme court which meets in this city for June term. Justice Cooke will bear the distinction of being the youngest chief justice in the point of service Illinois has ever had. He was first elected to the supreme bench a little over two years ago to fill the vacancy caused by the death of Justice G. L. Scott. Had Justice Scott remained a member of the supreme court he would have been elected chief justice at this time.

Justice Cooke will succeed Chief Justice Frank K. Dunne of Charleston.

While there are a large number of cases on the docket there are but a few of state-wide interest in which decisions are expected at this term.

Chief interest centers in the contempt case in which Democratic County Chairman John McGillen, of Cook county is the plaintiff in suits brought against members of the Hearst-Harrison faction of the county Democracy, growing out of the Seventh Regiment convention two years ago. Decisions in the above cases are expected at this term.

MINISTER TO COLUMBIA.

Washington, June 2.—Thaddeus Austin Thompson, of Austin, Texas, was today nominated by President Wilson to be minister to Columbia.

ANNUAL GRADUATION.

New Haven, Conn., June 2.—The annual graduation exercises of the Yale Divinity school were held today. The outgoing class numbers thirty-three.

SUPT. HEETER IS FOUND GUILTY

**INVESTIGATING COMMITTEE OF
CITIZENS MAKES REPORT**

Pittsburgh Superintendent of Schools Was Adjudged Guilty of Making Improper and Taking Unwarranted Liberties With Three Women.

PITTSBURGH, PA., JUNE 2.—Superintendent of Schools S. L. Heeter, into whose morality a committee of citizens went as an investigating committee, appointed by the board of education, was adjudged guilty of "making improper advances and taking unwarranted liberties" with three women, in the report of the committee made to the board tonight. The board received the report and ordered that a copy be placed in the hands of the superintendent, that he be suspended and that under the provisions of the school code he be accorded a hearing tomorrow.

The finding of the committee was unanimous on the immorality charges. In the matter of an alleged refusal to pay the bill of a teacher's agency, one member dissented but the majority found that the superintendent "made an improper and dishonest proposition to use his official position in order to compromise a claim made against him individually."

The latter case, known as the Brewer letter was brought about by a claim for money alleged to be due for services in securing Heeter's position. In response to letters Heeter is said to have written one offering to find positions under his jurisdiction for applicants to the agency in payment of the claim against him.

Rumors associating Mr. Heeter's name with charges brought by a domestic, who was taken from his home to a hospital in a serious condition began eleven weeks ago. When it was thought the girl would die the coroner was summoned and Heeter was implicated in the girl's statement. Heeter was indicted, arrested, tried and found guilty. He then returned to his duties, having been given leave of absence during his trial. Then followed a demonstration or strike of school children and more rumors associating Mr. Heeter's name with other unpleasant cases other than that of the domestic.

In order to clear the situation the board of education unable to get anything but anonymous charges, authorized the appointment of a committee of citizens to take testimony and investigate the truth or falsity of these charges.

WILL MAKE NEW START IN ELECTION INVESTIGATION

**Judge Cooper Adds Another Element
To Cook County Tangle by Filing
Suit For \$100,000 Damages
Against Andrew Lawrence and
States Attorney Hoyne.**

Chicago, June 2.—The Cook county board took steps today to wipe out the two special grand juries and to start with a fresh slate in the investigations of the elections last fall at which Maclay Hoyne was elected State's Attorney.

The county board ratified unanimously President McCormick's suggestion that the grand jury appointed by circuit Judge Kersten at Hoyne's instigation and the grand jury appointed by Judge Cooper at the instigation of the defeated candidates be dismissed and a special grand jury and state's attorney be named by the chief justices of the superior and the circuit court.

The board by refusing to vote funds for the two grand juries already appointed, probably can hold up their activities.

Judge Cooper added another element to the tangle when he filed suit for \$100,000 damages against Andrew M. Lawrence, State's Attorney Hoyne and the Chicago "Examiner." He alleges libel, the suit growing out of the controversy between Judge Cooper and the state's attorney.

Lawrence is publisher of the "Examiner." State's Attorney Hoyne tonight declared he would file quo warranto proceedings tomorrow to test the legality of the appointment of special State's Attorney Northrup named today by Judge Cooper.

CONFESSED TO MURDER.

Sunbury, Pa., June 2.—According to District Attorney Strouss, David Everett today confessed to having murdered Henry E. Miller in this city last year and for which crime Frederick Nyes is under sentence of death. Miller was found dead in his pool room with a bullet hole in his neck and the corpse had been robbed of \$30. Nyes and Everett were arrested and at their trials each blamed the other.

Nyes was sentenced to be hanged and Everett received a sentence of manslaughter for the crime. The case was taken to the supreme court of Pennsylvania which declined to interfere and an appeal is now pending before the pardon board.

MINER SUICIDES.

Joplin, Mo., June 2.—Monroe Golsen, a miner, committed suicide at noon today by lying down in his back yard, placing a stick of dynamite on his stomach and lighting the fuse. His body is scattered over a large portion of South Joplin. No reason is known for his act.

I. C. PASSENGER TRAIN WRECKED NEAR DECATUR

**MANY INJURED WHEN SOUTHBOUND
TRAIN LEAVES RAILS**

Engine Tender Is First Derailed, Causing Mail Car to Break From Express Car and Three Passenger Coaches to Roll Into Ditch.

DECATUR, ILL., JUNE 2.—Illinois Central passenger train No. 123 south bound was wrecked at 4:25 this afternoon, 16 miles north of Decatur. The engine tender left the rails, tearing up the track for a distance of 450 feet when a mail car broke from the express car and three passenger coaches turned on their side into the ditch west of the track. The injured:

M. D. Burns, Clinton, Ill., shoulder dislocated.

Mrs. G. H. Theobald, Decatur, Ill., hip bruised.

C. A. Page, Freeport, Ill., back wrenched.

E. A. Carkuff, Cairo, Ill., shoulder and back injured.

M. Michelson, Bloomington, Ill., Mrs. Henry Morry, Mount Vernon, Ill., hip injured.

Philip Large, Freeport, Ill., express messenger, knuckle broken, hip injured.

H. S. Morrow, Amboy, Ill., baggage man, head gashed, legs injured.

A. VanHuss, Bloomington, railway employee, head gashed.

Robert Johns, Pana, Ill., leg bruised, back wrenched.

WOULD ELIMINATE CENTRAL RESERVE ASSOCIATION

**Plan Contemplated Would Substitute
"National Reserve Division"
in Treasury Department.**

Washington, June 2.—One of the plans suggested to members of the banking and currency committee of congress which will receive serious consideration before a definite program for currency reform is adopted, would eliminate the central reserve association proposed by the national monetary commission and the central agency favored by some Democratic leaders and substitute a "national reserve division" in the treasury department.

Under the commission's plan the central association would be largely in the hands of private persons and under the Democratic plan in the hands of a semi-official board while the new suggestion contemplates "absolute authority in the treasury."

By this scheme reserve agencies of the division would be established in each of the reserve cities which would receive and mobilize the reserves of national and other banks, members of reserve associations, put out treasury gold notes as elastic currency secured by the prime assets of the banks accommodated and make a market for prime commercial paper of such banks.

Gold certificates, green backs and national bank notes would be retired and a gigantic gold reserve built up to be used as a redemption fund for any notes issued by the treasury in carrying out the plan. Gold available would be about two billion dollars, a basis for twice that amount of treasury notes.

One of the objections which the plan has met is that it would put the government in the banking business but those who favor it point out that it is already in the business through the postal savings bank system, its issue of currency and its control of national banks and contend that government protection against panic would give stability to commerce.

GOVERNMENT REVENUES SHOW LOSS OF \$6,000,000 FOR MAY

Loss Attributed to Tariff Revision Period When Business Interests AreAwaiting Advantages on Lower Duties.

Washington, June 2.—Government revenues from customs receipts fell off more than \$6,000,000 during May as compared with the same month of last year. Treasury officials attribute the loss to the period of tariff revision which, it is declared, is invariably characterized by the business interests "marking time" to await the advantages on lower duties.

Total receipts from all sources for the month aggregated \$55,379,364, or \$3,000,000 less than May, 1912, while the expenditures of last month, amounting to \$57,957,870, were \$5,706,000 greater than the disbursements of May, a year ago.

Despite these differences the current fiscal year up to date shows a surplus of receipts over expenditures of \$6,378,975 as against a deficit for the corresponding period of last year of \$6,462,136.

CONVENE IN WASHINGTON.

Washington, June 2.—The convention of the Brotherhood of Locomotive Firemen and Engineers organized today and more than 900 delegates got down to work. Among the important questions to be considered are, election of a city for permanent headquarters, consolidating the brotherhood with the Brotherhood of Locomotive Engineers, and changes in the constitution and by-laws.

LUMBER PLANT DAMAGED BY FIRE.

Shenandoah, Ia., June 2.—The Green Bay Lumber company's plant here was damaged by fire to the extent of about \$25,000 late last night.

LOBBY INVESTIGATION PROVES TAME AFFAIR

**Good Sized Crowd Hears
Senators Tell Their
Stories to Committee**

NO ORGANIZED LOBBY

**Senators Deny All Knowledge of
the Existence of an
Organized Lobby**

NO SENSATIONAL TESTIMONY

WASHINGTON, JUNE 2.—The senate struck out boldly today on the trail of the insidious lobby, which President Wilson declared is operating to modify the tariff bill. At the rate of four senators an hour the colleagues of the five men on the investigating sub-committee stepped to the witness chair, took the oath and then told their stories of senatorial wealth, or poverty, or moderate circumstances of business and professional connections and of their interest or lack of it in the tariff measure.

Suspicion that the trail might prove a winding one, with many a strange turning, brought out a good sized crowd that listened intently to tales of the senatorial life.

When senator after senator denied knowledge of the existence of an organized lobby, declared that improper influences had not been exerted upon him and that money to influence legislation had never appeared upon the congressional horizon at the present and slowly thinned out. The trail of the lobby was hard to find and spectators who looked for sensations went away empty handed. Senators who had served in congress for many years repeatedly testified during the all day session that they believed there was less personal appeal to members of the two houses now than at any tariff revision of recent years.

Nearly a dozen and a half senators had been examined before the end of tonight's session, and while they disclosed freely their personal business affairs and the extent of the property investments, the committee found no evidences of the use of senatorial or outside influence to improperly affect tariff legislation.

All Not Taken For Lobbyists.

The majority of the senators declared they did not consider men who legitimately appeared to present arguments to congress as lobbyists. Both Democratic and Republican senators expressed the opinion that "interested parties" had the right to present their cases either to individual senators or to committees of either house.

Names of a score or more men who had appeared to protest against a cut in sugar, wool, lead, meat, flour and similar duties, were given by different senators, but the only one referred to as a "lobbyist" was a man named MacMurray, whom Senator Ashurst said he believed was attempting to influence action in favor of the approval of certain Indian contracts in which he was interested. Required by the committee to disclose any personal interests they might have in legislation, the senators told of farms, newspapers, sewer pipe factories, gas plants and other things in which they had investments. All those who testified today declared that they had no interest in any business in any way affected by legislation now or previously before congress.

MAY ELECT OFFICERS TODAY.

San Francisco, June 2.—Politics began to simmer today in the convention of the Brotherhood of Railroad Trainmen, now in the final week of its session here. Grand President Lee's policies were attacked and defended in the debate over salaries and appeals, which constituted the day's program. It is expected that the election of officers and the choice of the next convention city will be taken up tomorrow.

Thus far the only announced candidate to succeed President Lee who has held office since 1899 and is candidate for re-election is A. F. Whitney of Eagle Grove, Ia.

WEATHER INDICATIONS AND TEMPERATURES

Washington, June 2.—For Illinois: Cloudy Tuesday, probably following by showers by night; Wednesday fair, light to moderate variable winds.

Temperatures.

Chicago, June 2.—Current, maximum and minimum temperatures today were:

	Current	High	Low
Boston	72	76	54
Buffalo	54	58	52
New York	72	74	64
New Orleans	88	92	74
Chicago	63	68	55
Detroit	64	70	48
Omaha	82	84	60
St. Paul	70	72	52
Helena	78	78	52
San Francisco	56	60	51
Winnipeg	50	68	50

WOMAN'S COLLEGE TRUSTEES HOLD ANNUAL MEETING

Record For the Year Wholly Satisfactory—Dr. Nicholson Points Out Possibilities of Future—Conference Visitors Report.

The annual meeting of the board of trustees of Illinois Woman's college was held Monday afternoon. Not all the business was completed and another session will be held this afternoon at 4 o'clock. It developed at the meeting that the endowment fund was \$6,000 short and this was cut down by \$500 reported by Rev. A. C. Piersal and by a gift of \$500 from Dr. Welch, making his total contribution to the present fund \$10,500. Various reports were listened to and officers were chosen for the year. Dr. T. J. Piner was again elected president, Dr. J. R. Harker secretary and T. B. Orare, treasurer. The executive, faculty and auditing committees were continued with the same personnel.

Mrs. E. C. Lambert and Mrs. John W. Ward made reports for the alumnae funds and the showing was specially complimented by Dr. Thomas Nicholson, secretary of the M. E. Board of Education. The report of President Harker showed a year of growth and was such throughout as to again emphasize the discretion and wisdom of his management.

Dr. Nicholson at various times made brief remarks and in a very pointed way he showed the future of the Woman's college has if its friends will support and sustain it. Based on a wide survey of the field he has no hesitation in affirming that the college here can within the next five years become the greatest and largest college of its kind in the whole Mississippi valley. He is a man who understands the situation and his opinion means something.

Various questions were discussed and then Rev. G. W. Flagg for the conference visitors presented the following report:

We heartily endorse the management of Dr. Joseph R. Harker and his faculty and assistants. The system of bookkeeping, thorough and comprehensive, and the promptness with which all obligations of the schools have been met, are simply indices of the splendid business and executive ability of Dr. Harker.

The home influence of the school is splendid in moral and religious tone, and certainly must have a marked and permanent effect on the character and life of each student.

We believe the spiritual atmosphere of the school is unexcelled in college circles anywhere, and we rejoice to find that the constant presence of the religious instinct and life of the students. If Horace Bushnell's statement be true that "The Soul of all culture is the culture of the soul," then certain it is here may be had an opportunity for the highest and purest culture.

After more than a year of strenuous campaign to raise a fund, and to clear \$80,000 indebtedness, and provide \$100,000 endowment, we rejoice it is nearing completion, and most heartily congratulate the board and endowment committee upon this much desired consummation.

That the Woman's college has made such a phenomenal record for over sixty years without endowment, has made it exceedingly difficult to get our people to see the imperative need of adequate endowment now. "A college, however prosperous, is like a full-rigged vessel sailing without ballast, but our people should understand a college to be safe should be like an iceberg, seven-eighths under the surface."

We wish to convey to President Harker the hearty congratulations of the Illinois conference upon having completed twenty years of efficient service. The splendid achievement of bringing the property value of the college from \$75,000 to \$450,000, of increasing the student body to more than 400, and of bringing the institution to college rank, has been largely the outcome of his personal effort. We doubt if the list of American colleges can furnish a parallel.

Not only as president of one college has Dr. Harker rendered distinguished services, but we rejoice in the merited recognition his work has received in the larger field of education, in that he is now the honored president of the Association of College Presidents of the Methodist Episcopal Church.

We believe the time has come when the trustees of this college should vote Dr. Harker a summer vacation, insisting that, for the sake of the school's further success under his continued administration with renewed strength, he take at least the months of July and August for such vacation, far enough away from school duties and cares to allow him absolute freedom from the same.

To make this vacation possible, we recommend that some one be employed to canvas for students during the summer vacation, and that all other proper and necessary steps be taken to insure to this loyal man of God the rest he has so richly earned, and which we believe necessary in order to secure for the school the continuance of his able and consecrated leadership.

It is our conviction that it would be very unwise to attempt to raise additional endowment for the college required by June, 1916, in the same manner as the campaign now closing. And we would earnestly recommend to the board of trustees that immediate arrangements be made for placing a financial agent continuously in the field not later than Oct. 1, 1913, to secure the additional endowment for the college.

We call special attention to the present opportunity to make this one of the greatest woman's colleges in the United States. It is the only Methodist school of its kind in the Mississippi valley; our church is numerically the strongest Protestant denomination in the territory, and our people have sufficient wealth to do what is needed to make it so. Now is the time, in our judgment, to take steps to create a sentiment

that will make this college as great a factor nationally in the education of women as the greatest in the nation, and we urge such action by the board of trustees as will tend to waken that ambition, both in the church and this community.

Presley P. Carson, H. F. Cusic, F. A. McCarty, G. W. Flagg, H. S. Akire, E. B. Houck, J. W. Miller, A. C. Piersal, Joseph C. Nate.

Among the trustees who attended were Dr. T. J. Piner, Dr. Welch, Mrs. E. C. Lambert, Alexander Platt, J. W. Taylor, Mrs. J. N. Ward, Mrs. F. Rowe, C. P. Gillett, W. E. Veitch, T. B. Orare, S. R. Capps, Edmund Blackburn, E. E. Crabtree, Dr. J. W. Hargrove, J. W. Walton; conference visitors, Dr. Horace Read, Rev. A. C. Piersal, Rev. G. W. Flagg, Rev. J. W. Miller, Rev. E. B. Houck, Dr. J. C. Nate, Rev. H. F. Cusic, Rev. H. S. Akire, Rev. P. P. Carson.

MORTUARY

Trimble.
Funeral services for Henry Trimble were held Sunday afternoon at 2:30 o'clock at the residence, 408 Marion street in charge of Rev. John W. Kirk, assisted by Eldere Taylor. Music was furnished by Mrs. Guy Washington, Mrs. Naomi Johnson, Thomas Wagner and Guy Washington and the flowers were in charge of Miss Barnes and Miss Bates. Interment was made in Jacksonville cemetery and the commitment service was in charge of Mallory Lodge No. 30, K. of P.

Doyle.
Lew H. Pratt received a telegram Monday announcing the death of Charles F. Doyle, who passed away at his home in Albuquerque, N. M., Monday. Mr. Doyle had been a guest at the home of Mr. Pratt a number of times and his wife was formerly Miss Fannie Scurlack of this city, a sister of George and Gus Scurlack. They resided in Peoria until two years ago when they moved to New Mexico for Mr. Doyle's health. He is survived by his wife and one daughter.

The remains will be taken to Peoria for interment and Mr. and Mrs. Pratt expect to attend the funeral.

Mann.
Word comes from Virginia of the death Sunday of Mrs. Margaret Mann, wife of Robert H. Mann, a well known hotel keeper of that place. Mrs. Mann was 59 years old and had been in poor health some time. She is survived by her husband and one daughter by a former marriage, Miss Myrtle Hicox.

Mr. Mann is the proprietor of the Mann House of Virginia and is interested in the photography business. It was in the latter occupation that he was engaged as a young man in this city, having had a studio on South Main street.

Sash.
Mrs. Margaret Sash died at the Jacksonville State hospital Saturday afternoon at 12:15 o'clock. The deceased was 76 years of age and the remains were taken to the Reynolds undertaking establishment and Sunday morning were sent to Naples at 7:06 o'clock via the Wabash. Funeral services were held at Naples Sunday afternoon.

Corlies.
Deputy Coroner John G. Reynolds held an inquest at the Jacksonville State hospital Sunday to inquire as to the cause of the death of Mrs. Elizabeth Corlies, who passed away rather suddenly at the institution Saturday night at 10:50 o'clock. The jury was composed of T. M. Tomlinson, foreman; Charles E. Delaplaine, John Gibbs, J. W. Waller, Ezra Scott and G. L. Masters, clerk, and a verdict that death was due to cerebral hemorrhage was returned.

Gertrude Gardner, an attendant at the institution, testified that she put the deceased to bed at 7:30 o'clock Saturday night and at that time she seemed as well as usual. At 10:40 o'clock she and another nurse went to the bedside of Mrs. Corlies who was coughing and vomiting and that she called the general night nurse, Miss McEntee. She said that just as she put up the receiver Miss Endsley the other nurse said she believed Mrs. Corlies was dying, and Miss McEntee called Dr. Treadway, who arrived at 10:55, five minutes after the patient had passed away. The other witnesses were Miss Katherine McEntee and Dr. W. L. Treadway.

Andrews.
Isaac Andrews died at the Jacksonville State hospital Saturday night at 11 o'clock. The deceased was 63 years of age and was born in England. He was a farmer and a member of the Carpenters Union. The remains were taken to the Reynolds undertaking establishment and funeral services will be held there this morning at 9:30 o'clock in charge of Rev. Clyde Darrie, pastor of Central Christian church. Interment will be made in Diamond Grove cemetery and the services will be in charge of the carpenters union.

Thomas.
The funeral services of G. W. Thomas were conducted Sunday afternoon at 2:30 o'clock from the family residence in Aremville in charge of Rev. William Dyer. Music was furnished by Mrs. Edward Pfeil, Mrs. J. M. Swoops, Misses Lola and Mary Schaffer.

Interment was made in the Aremville cemetery and the bearers were W. L. McCarty, H. V. Reamy, Edward Shrewsbury, John A. Weeks, F. D. Hammer and B. W. Jones.

GIVES REPORT OF DETROIT CONVENTION.
A report of the North Baptist convention at Detroit was given Sunday morning by the Rev. W. L. Dorgan of the First Baptist church. His remarks on the convention occupied the first part of his regular sermon. The Rev. Mr. Dorgan was in Detroit last week.

BUYING ECONOMICALLY

When you consider the following prices we are quoting on CRISPO BRAND CRACKERS AND BISCUITS you will recognize that this affords a real opportunity for ECONOMICAL BUYING. While these prices are attractive we do not want you to think for a minute that chances for economical buying are limited to the cracker and biscuit stock of this store. All over the store you will find that WE OFFER SAVING BARGAINS EVERY DAY.

Below we quote prices in dozen lots but this does not mean that the prices will not apply to smaller lots. You can buy a quarter dozen at the same rate that applies to a dozen. Remember, three 5c boxes of Crispo Crackers for 10c and note these other goods and prices too.

Twelve 5ct. packages Crispo Soda Crackers 40c
Twelve 10ct. packages Crispo Graham Crackers \$1.00

CONGRATULATE THE POPE.
Rome, June 2.—Today is the 78th birthday of Pope Pius X. He was born at Riese on June 2, 1835. Cardinals, vatican officials and many Italian and foreign churchmen and laymen called to congratulate his holiness and many addresses and messages of greeting were received from all parts of the world. In accordance with the wish of the pope there was no celebration of the anniversary.

REMOVAL NOTICE.
B. R. Upham has removed his office from the Farrell building to the fifth floor of the Ayers National bank building where his patrons can find him from this date.

NOTABLE WEDDING IN VANCOUVER.
Vancouver, B. C., June 2.—Christ church in this city was the scene of a notable wedding today, the bride being Miss Geraldine Popin, daughter of Major General Pison, C. B., resident governor of the Tower of London, and the bridegroom Mr. George Herbert Head, formerly of London, and now a resident of Vancouver.

CLASS DAY EXERCISES
OF WOMAN'S COLLEGE

Splendid Program Presented by Members of the Graduating Class.

The class day exercises of the Woman's college were held Monday morning at 9 o'clock in Music hall and largely attended. The exercises began with the procession, which formed in front of Music hall. The chain of green and white was held by members of the freshman class, as the upper classmen filed into the building, the seniors taking their places on the platform. Miss Elizabeth Tendick told of "The Woman's College of the Past," in which she reviewed the growth of the institution along all lines of endeavor. Miss Emily Jane Allen told of the "Woman's College of the Future," after Miss Bessie Galt had favored the audience with the "Hindoo Song" by H. Bemberg. Miss Allen said that whatever the girls accomplished, in the home, in the school or in any calling, would reveal the influence of the college of the future. Miss Vera Tomlin recited in a very telling manner a portion of "The Littlest Rebel."

"Remarks by the way" were interesting. Miss Anna Heist spoke on "The President," in which she told of the great work Dr. Harker had accomplished and said that half had never been told. Miss Lois Coultas spoke on "The Trustees and Faculty," showing the inestimable good they had done for the student body. In "The Givers of Gifts" Miss Golden Berryman told a beautiful story of a dream in which she depicted all those who had contributed toward the college.

The "Swing Song," by Lehr, and the "Bird of Day," by Pascal, were given a splendid rendition by Misses Agnes Rogerson, Francis Freeman, Lucile Gernhart, Emily Jane Allen, Helen Ingalls, Mary Louise Dickie, Ruth Irie, Josephine Ross, Goldie McLaird, Bess Galt, Jess Campbell, Ruth Taylor and Vera Tomlin.

The Conferring of Endowments was by Miss Helen Moore. She said the students could not give gifts of money but could be friends of the college, which in years would count for much, and that all would be willing to give of their service toward the advancement of the school. To the juniors, Miss Moore gave "Dignity." The sophomore president was given a book on "How to keep your mind on your studies when it is elsewhere." The freshmen were given into the keeping of the sophomores. To the senior prep class was given "The World to Conquer" and also the senior colors, red and white. Yet untold joys of the Faust class were given to Misses Leta Irwin, Halie Glen and Ferli Hess. Other gifts much bestowed which occasioned much merriment.

A line of march was formed and the students and friends repaired to the campus, where the Ivy was planted, the oration being by Elizabeth Dunbar. The Ivy was planted by Misses Ella Blake and Clara Kelley, thus concluding the exercises.

Baseball—Eastern Ill. Normal vs. Illinois college Friday.

FUNERAL NOTICE

The remains of Smith Coffman, who committed suicide in Peoria, will arrive in the city this morning at 11 o'clock via the C. P. & St. L. and will be taken to the Reynolds undertaking establishment, where funeral services will be held this afternoon at 2:30 o'clock in charge of Rev. H. H. DeWitt. Interment will be made in Jacksonville cemetery.

POLL TAX IS DUE.

Chorus—(a) The Pedlar, Williams; (b) Inflammatus (Stabat Mater), Rossini—(Soprano obligato by Sophia Morris).

Benediction—Rev. J. W. Miller.

The graduates are John P. Fitzgerald, Alvin P. Gillick, Esther Veronica Herron, Laura May Howse.

ALUMNAE REUNION.

The annual meeting of alumnae and former students of the Woman's college will be held in Music Hall this morning at ten o'clock.

Every I. W. C. daughter is expected to show her loyal interest in the unusual events of this commencement by attendance at this reunion. Alumnae from other cities and other states have been arriving and any friends desiring to attend this meeting will be cordially welcome.

It is possible to make some additional reservations for the luncheon which is served at one o'clock if request is made at the college office before ten o'clock.

Belle Short Lambert, Pres.

SCOTT'S THEATER.

Special today, "What Happened to Mary." Tenth Hour.

FARM TEAM RUNS AWAY.

Monday morning a team being driven by a young farm hand who is employed in the vicinity of Lynxville became frightened on West College avenue near Westminster street, and for a few minutes caused quite a lively runaway. The driver was thrown out, but he held onto the lines and was dragged about fifty feet. The horses ran into the yard at the residence of Robert Cunningham where they stopped. The driver was not seriously injured although he was painfully bruised and with the aid of Frank Smith he hitched the horses and drove away. The damage to the wagon was slight.

JUSTICE COURTS.

John Delaney and Edward Morrissey were each fined \$3 and costs in Squire Coons' court Monday on a charge of drunkenness.

John Jones of Springfield was fined \$10 and costs in Squire Coons' court Monday on a charge of violating the speed ordinance.

Smith Butler, arrested on a charge of embezzlement on complaint of William L. Corbin, was given a preliminary hearing in Squire Dyer's court Monday and in default of bond for his appearance in Court June 6, at 9 a. m., was committed to the county jail. Butler, it is alleged, appropriated for his own use \$20 which he had collected for the International Road Carriers Union.

NEW GROCERY.

John E. Devlin announces that he is now ready with a complete new stock of groceries at 229 East State Ehrie's block, and solicits a share of your patronage. He assures you careful attention and prompt deliveries.

THE PIPE LINE FAILS.

The letter from the Jacksonville Water Co., addressed to the city council and read at the Monday morning session gives no intimation that the company expects to be able to supply the city with water at any early date. In fact the letter says nothing save that the company cannot fulfil the contract into which it entered to supply water beginning June 1st, 1913 for a period of one and a half years. From other sources comes the information that the real reason for this letter is the fact that the company has just arrived at the knowledge that the pipe line is rusted out and is of little value. Aside from this fact even if the company could stop the leaks within a short time Mr. Bellatti who has acted as attorney for the city in this matter gives it as his opinion that the contract is now void and that to renew it would require another vote of the people.

But the main thing which will interest the people now is the fact which it is understood to be true that the water pipe is gone. To put in a new pipe line the entire distance would require the expenditure of about \$100,000 and it is doubtful if the company will feel like making this expenditure now in addition to the very great sum already invested in the enterprise.

It is an exceedingly unfortunate thing for the investors in this company that conditions are as indicated and it is a great disappointment to the people of Jacksonville that water cannot at present be supplied. When the election on the proposed contract with the water company was held the people by a large majority expressed their approval of the proposition. The bargain which the mayor and commissioners drove was a very favorable one and by its terms the city would have received a bountiful supply of water of excellent quality at a price which would permit the city to reap some profit from its sale and distribution. The city officials were in no way favorable to carrying out the old agreement with the company but took the position that the company had something to sell the city and that a purchase of water at as low a price as possible should be arranged. Then the people gave their stamp of approval to this arrangement and now when the hope of years had seemed about to be realized comes the disheartening information that the pipe has so deteriorated that it cannot be used.

That this condition is an unwelcome surprise to the company is shown by the fact that during the past two or three months they have spent thousands of dollars in getting the engines and pumps into condition and in replacing with iron pipe that part of the line near Neeleyville where it had been acknowledged that the line had been eaten out by chemical action. Seven car loads of cast iron pipe were used in this repair work and just within the past few days it was ascertained that the line is so defective in other places that the company cannot now furnish water. The joints where it was at first supposed rotted rubberaskets were causing the leaks were found to be in excellent condition while the leaks came through the pipe line proper. Years of disuse have no doubt shortened the life of the pipe but the condition in which it has been found gives the stamp of correctness to those persons who have argued that the pipe line was not strong enough and could not possibly stand the action of the earth upon it. Competent engineers disagreed upon this point and opinion was equally divided. Some of the advocates of the water proposition believed that the steel pipe would prove the equal of cast iron but they also argued that the question of the adequacy of the pipe line was one which the company must solve itself and that if a contract were entered into for furnishing water that then the company would have to see to it that the pipe was strong enough to carry water or rebuild the line.

The water company has been unfortunate from the very beginning. Its affairs have not been well managed in some particulars. In the first place it has been asserted with truth that if the proper care had been taken that the terms of the original franchise could have been met. When test times were arranged there was always some contingency which interfered and the various extensions of time asked served to embarrass the company and to create a feeling of uncertainty about the success of the whole undertaking. The delays and cost have eventually resulted in the company losing the rights which would have accrued to it by the franchise. There seemed to have been serious mistakes of engineering. Failure to properly file the certificate of incorporation and one thing after another has occurred to cause delay and expense. It is understood that the men who have put up the money for this corporation have invested in it over \$400,000 and now they find themselves unable to supply water when the chance to demonstrate the value of the water supply is theirs.

During the time that these eastern men, mainly from Franklin, Pa., have been struggling along with this enterprise, several of them have visited the city to look over the situation with the idea in view no doubt of seeing if from their combined judgment any course could be mapped out which would save for them the money invested. Capt. Mackey, Mr. Crawford, Mr. Reiser, Mann, Mr. Bleakley, Mr. Haskell and others of the group of investors have visited Jacksonville and they all gave the impression to those who met them of being high class, honorable men seeking only to bring to a culmination the enterprise upon which they had embarked and to save to themselves the capital invested.

Perhaps in the crisis which now presents itself the capital stock owners will once more dig down

deep in their pockets and put up enough to rebuild the pipe line and let us hope that they can and will.

THE WOMAN'S COLLEGE CRISIS

At the meeting of the trustees of Illinois Woman's College Monday afternoon various matters of business were given attention but the questions of most importance related to the condition of the endowment fund. It developed that the fund was six thousand dollars short of the \$180,000 which must be raised. Rev. A. C. Hensel of Springfield reported a contribution of \$500 from Mrs. Blackwood. Dr. Welch of Westfield, N. Y., a trustee of the college added \$500 to his subscription making \$10,500 that he has given toward this particular fund. Besides he has given a \$5,000 organ to the college and has made other contributions amounting to \$4,000.

This left the amount still to be raised, \$50,000 and it was decided that this sum must be raised to day and the fund completed by tonight. Dr. Nicholson in commenting upon the generosity of Dr. Welch spoke of the great demands being constantly made on him to help institutions in the east and expressed the view that the liberality of the New York man should be an example to men nearer the institution and who should have it more keenly on their hearts.

Dr. Nicholson told of Coe college at Baltimore for which a million dollars has just been raised and emphasized the noteworthy fact that about one third of the money came from the immediate city of Baltimore and that \$738,000 came from the conference in which the college is located. Judged by this standard this city and this conference have not done their full duty.

Then Dr. Nicholson in a very clear way mapped out the reasons why Illinois Woman's college can be made a really great institution in points of power and in the number of its students. He expressed the opinion that it was a mistake to try to make colleges out of some secondary schools, that they would do the most good as secondary schools but he was firmly of the opinion that the proper course had been followed in making the Woman's college a college in truth.

Friends of the college have been so accustomed to talk about its prosperity and its growth and have been so used to think that President Harker would surely get what he started after that they have been a little slow to realize how large a movement he undertook in raising this endowment fund. They have been slow to realize that a crisis really does exist. Anyone however who could have attended the trustee meeting yesterday and listened to the earnest plea of President Harker and of Dr. Nicholson would have come away with an accurate knowledge of just how serious the situation is. There is nothing kept back. There are no reserve announcements. The fact is that the college must have today \$5,000 to complete endowment fund. To fail would mean a fearful blow to the college. The campaign should not, must not fail, and it is hoped that to day friends here and elsewhere will rally to the support of the college and complete the fund. Illinois Woman's college is a wonderful force for good in this community and it is to day one of the biggest business assets of Jacksonville.

HOLD WOMAN FOR HUSBAND'S DEATH

Joplin, Mo., June 2.—The body of George F. Kellen of Pittsburg, Kan., was found in front of a grocery store one mile south of Joplin in Newton county today. He had been shot through the back. A woman's hair switches and a revolver were found near the body. Mrs. Pinnie Kellen, aged 25, widow of the dead man, was placed in jail here this afternoon and questioned about the case. The authorities took her to Neosho, Mo., tonight where the death of her husband will be further investigated.

BODY IS RECOVERED.

Galesburg, Ill., June 2.—The body of George Elliott, eighteen year old freshman at Knox college was taken from the Soangetaha country club lake tonight with a piece of barbed wire after several hours' search by his companions who had been with him on a bird study expedition. He was drowned while bathing.

WOLGAST TO MEET WATSON.

San Francisco, June 2.—Ad Wolgast was signed tonight for a twenty round fight with Red Watson, a California light-weight, for June 29, according to the announcement of a San Francisco athletic club. The weight will be 133 pounds ringside.

BODY IDENTIFIED.

LaFayette, Ind., June 2.—The body of one of the two men killed in a big four freight wreck near here yesterday today was identified as Samuel Kaufman, formerly a newspaper solicitor of Chicago. The body of the other man has not been identified. The five injured will recover.

GETS LIFE IMPRISONMENT.

Elgin, Ill., June 2.—Life imprisonment was the sentence imposed today upon Henry Coppes the 14 year old boy who murdered Mrs. Manny Sleep and her two children here April 14th. Coppes pleaded guilty.

LEAVES WASHINGTON TODAY.

Washington, June 2.—Vice-president Marshall will leave Washington tomorrow night for a ten day trip through North Carolina, Kentucky and Indiana, on which he will make half dozen addresses.

WINS ENGLISH CHAMPIONSHIP.

London, June 2.—Bill Beynon tonight won the English bantam championship from "Digby" Stanley, holder of the title. The fight went twenty rounds, Beynon winning on the referee's decision.

Shaw Knit Socks

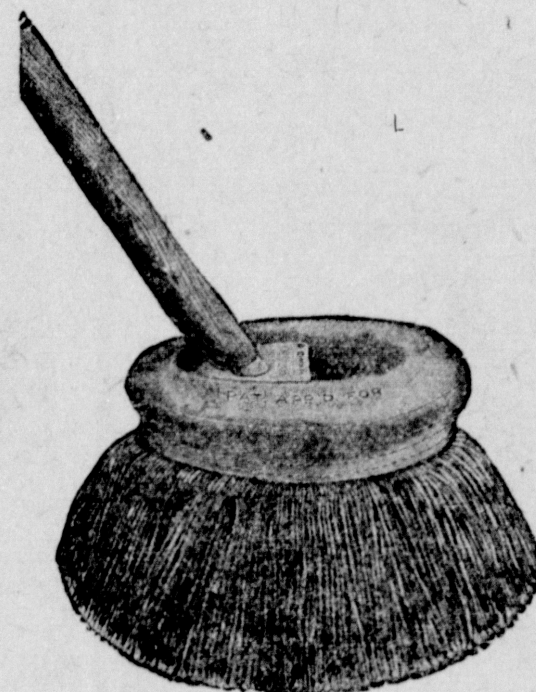

We have just received another case of Shawknit Socks and are prepared to furnish you all the new colors in the 25c and 50c grades. Sizes 9½ to 12. If there is any number in the Shawknit make that we do not carry in stock, let us know and we will order them.

JEALOUSY THE CAUSE.

Greely, Colo., June 2.—Double murder and suicide as the result of jealousy was the verdict of the coroner's jury in the inquest to day upon the bodies of Robert Stanley his wife Charlotte and their six year old son, Fenton, found shot to death in the cabin in the northeastern part of Weld county yesterday. The principal witness was Miss Lella Stevens who accompanied the Stanleys to a dance Saturday night and returned with them to their home. Early yesterday she said, she was aroused by their violent quarrelling and fled, fearing violence. The Stanleys owned property in Meadow Grove, Nebraska, and a 320 acre ranch under cultivation in this county.

HELL FIRE A MYTH.

Hot Springs, Ark., June 2.—Hell and hell fire are myths, in the opinion of members of the International Bible students association who are holding a district convention here. A resolution asks ministers to discard the "offending words" and cease teaching literal interpretation of them. The resolution also asks that the words "sheol" and "hades" be interpreted to mean tomb or grave.

WILL MEET IN CHATTANOOGA

Chattanooga, Tenn., June 2.—The forty seventh annual re-union of the grand army of the Republic will be held in Chattanooga September 15 to 20 inclusive, according to agreement reached to day from General Alfred G. Beers, commander in chief of the G. A. R., to Senator Newell Sanders, chairman of the local executive committee.

PROBLEMS BEFORE THE CITY COUNCIL

WATER QUESTION AGAIN A MATTER OF CONCERN.

New Pump to be Installed at Pumping Station--Engine and Generator May be Secured For Pumping From the Widenham & Daub Wells--Letter From Water Company Says Supply Cannot Come From the River Now.

The usual session of the city council was held Monday morning. Minutes were read, officers reports were approved and other routine business was transacted. The contract for installing the city pumps was awarded to the Pendleton Audit Co., at \$225. The commissioner of accounts and finances was authorized to advertise for bids for coal for the city light plant and city water plant. A letter from the Jacksonville Water Co. was read stating that on account of some contingencies reported by Supt. Brown that the company cannot begin supplying water at present.

Commissioner Brennan was authorized to get figures on the cost of installing an engine and generator at the electric light plant in order to have power to pump from the Widenham & Daub wells. He was also authorized to get bids on the installation of a new pump at the pumping station. The pump there is cracked on both ends and is in a dangerous condition.

Order of Business.
The minutes of the last regular meeting were read and approved. A proposition was read offering to put sheet iron water pipe receptacles around the square and some adjoining streets without cost to city if permitted to sell advertising space thereon. Commissioner Knollenberg and Engel expressed themselves as opposed to the plan and Mayor Davis said he remembered that a similar arrangement some years ago caused trouble and annoyance. Commissioner Newman said that the matter should be looked into and Mayor Davis appointed Commissioners Newman Engel and Brennan to investigate.

A report was read from a boiler inspector showing that two boilers at the light plant need some minor changes but are in very good condition. A letter was read from P. P. Thompson, city attorney with reference to a communication from the local tailors union asking that the Illinois Tailoring Co. be prosecuted for conducting an alleged lottery. Mr. Thompson said that he had looked into the matter and that if a lottery was being conducted that there is a city ordinance concerning same. He said that if the local tailors union could supply evidence and witnesses that prosecution would be undertaken.

Another communication was read from City Attorney Thompson in which he recommended that the city make no compromise in the suit brought by Elmer N. Day. He was injured while riding a bicycle on North Diamond street and the city attorney believes that the contributing negligence was such that there is no just claim against the city. A communication was read from the Jacksonville Water Co., and was received and placed on file. The letter was as follows:

The Honorable Mayor and City Council of Jacksonville, Jacksonville, Ill.
Gentlemen:
I regret exceedingly to say that we have just received information from our superintendent, Mr. Edward Brown that conditions have arisen within the last few days that will preclude the possibility of the Jacksonville Water Co., furnishing the first of June proximo the necessary volume of water required under our

contract with the city. Conditions may change within the next few days and we hope they will but in the meantime we deem it proper that you should be much acquainted with the situation as it now exists.

Very truly yours,
Jacksonville Water Co.
Charles W. Mackey,
President.

Alexander Platt was present and had some suggestions about the construction of a sewer in the alley in the rear of East Morgan street. This matter was referred to Commissioner Newman to investigate.

Commissioner Knollenberg made a motion that the contract for auditing the city books be awarded to the Pendleton Audit Co. at \$225. Commissioner Newman made violent objection to this and said that the law requires a certified auditor and that he would get out mandamus proceedings if the contract was awarded as to the law and was convinced that he was acting properly. Commissioner Knollenberg said the bids ranged from \$225 to \$600. The contract was awarded to the Pendleton Audit Co., by a vote of Mayor Davis, Commissioners Brennan and Knollenberg. Commissioner Engel said he thought Mr. Pendleton competent but that he had been in favor of giving the contract to another company.

Commissioner Knollenberg was authorized to advertise for bids for coal for the pumping station and city light plant the coming year.

Commissioner Knollenberg said that Mr. Mallory on South Prairie street and H. C. Montgomery wanted sidewalks and had not been able to get the work started. Commissioner Brennan spoke of Mr. Taylor on Doolin avenue and William Kitter, corner of West College avenue and South West street as being in the same class. Commissioner Newman said that delays had been occasioned in some cases because the council had not given final decision as to the use of boiler cinders and rock for foundations. He wanted the council to decide as to cinders and rock.

Mayor Davis suggested that he thought a petition on this question was being prepared and that it would be just as well to defer action for a week.

Commissioner Engel reported the need of a light at the play grounds in the first ward as boys congregate there after dark and cause some annoyance. Commissioner Brennan agreed to give any relief he could.

Commissioner Brennan, when his department was reached in the order of business, introduced the matter of buying a generator and an engine for the light plant for the purpose of supplying enough power to pump water from the Widenham and Daub wells. He said that this was necessary now that it appeared that the water company would not be able to furnish water and that the rate for electricity from the Jacksonville Light company is prohibitive. Mr. Brennan regretted that the recent bond issue had not carried as it would have provided a means for supplying both light and needed power but in view of the situation he thought the next best thing was to get the engine and generator which he thought would cost about \$10,000.

Commissioner Newman said that he thought the commissioner should get a rate on power from the light company as it was possible that now they would make a lower rate than before. He made a motion to that effect but it was subsequently withdrawn as Mr. Brennan signified his willingness to get figures although he said that within a few weeks time Mr. Chubbuck had quoted figures and said they were the lowest that the company would make.

Commissioner Brennan also brought up the matter of the pump at the city pumping station. The Smith-Voile pump there has both heads cracked and is in such condition that it cannot last much longer.

An estimate on repairs shows that it would cost almost as much to repair it as to get a new one. Mr. Brennan said that something must be done to better the situation and he was authorized to get bids on a 5,000,000 gallon pump.

Commissioner Newman did not favor the plan of getting a pump and said that he could organize a company on very short notice that would enter into a contract to furnish the city 3,000,000 gallons of water per day on very favorable terms. He said that he had full confidence in there being a complete and adequate supply of water at the Widenham & Daub wells. Mr. Newman too in referring to the light situation said that the best way to handle the proposition was to organize a company to take over the light plant temporarily, furnish the city lights, do commercial lighting and at the same time have equipment enough to do the pumping from both the city pumping station and the Widenham & Daub wells. He said that he had not taken formal action about organizing such a company because he did not know what the council would do and because of certain legislation regarding commercial lighting which is now pending in the Illinois general assembly.

When bills were under discussion and those properly approved were ordered paid when funds are available, Mr. Newman objected to the bills for hauling away rubbish during the recent clean-up being paid from the vehicle tax and maintained that it should come from the general fund. Mayor Davis and the other commissioners, however, insisted that the only proper place to obtain the money was from the street fund and that this had been the agreement originally. Anyhow the bill referred to had not been approved so that the discussion was out of order. There was a good deal of lively discussion during the session which was thus the most interesting held for a number of weeks.

Reports of Officers.
W. H. Cobb, water superintendent reported total collection for month \$2,501.06. This sum was divided as follows: Rent \$2,413.36; meters sold \$174; taps sold \$6.00; meter repaired 8.

R. L. Pyatt, city clerk made the following reports: For Jacksonville cemetery \$133.25; vehicle license and the general receipts, \$502; from Diamond Grove cemetery, \$503.50.

E. F. Farrell, treasurer reported balance on hand June 2nd, \$6,629.83.

J. T. Owen, sexton of Diamond Grove cemetery reported eleven graves made in the month of May.

H. Wannamaker, sexton of Jacksonville cemetery, reported eight graves made in May.

A WORKER APPRECIATES THIS.

Wm. Morris, a resident of Florence, Oregon, says: "For the last fourteen years my kidneys and bladder incapacitated me for all work. About eight months ago I began using Foley Kidney Pills, and they have done what other medicines failed to do, and now I am doing and feeling fine. I heartily recommend Foley Kidney Pills." Foley Kidney Pills do not contain habit forming drugs and are tonic in action, quick in results. They will help any case of kidney trouble not beyond the reach of medicine. City Drug Co., J. A. Obermeyer.

TAKES POSITION WITH WABASH

ANNUAL COMMENCEMENT RECITAL OF WOMAN'S COLLEGE

Program of Merit is Heard by Large Audience in Music Hall.

The annual commencement recital of the Woman's college took place Monday night in Music hall. The seating capacity of the hall was taxed to the utmost to accommodate the large audience present. The numbers included piano, voice, violin and organ, and while there were no students who appeared on the program to receive diplomas this year, the various musical numbers were given such a splendid interpretation that the high standard of the work being done at the institution was manifest. All the numbers were exceedingly difficult and yet they were handled in such an artistic manner by the students that the results were highly pleasing to their instructors and a delight to the people. The audience was liberal in applause and the entire program was one of merit.

The following is the program:
Organ--
Fantasie and Fugue in G minor... Bach
Alce Mathis.

Vocal--
Ah, Moon of My Delight... Lehmann
(From "In a Persian Garden")
Helen A. Jones.

Piano--
Marche Militaire... Schubert-Tausig
Lucille Olinger.

Voice--
(a) Daffodils a'Blowing... German
(b) The Nightingale and a Lyre of Gold... Whelpley
Lucille Knox.

Piano--
Polonaise in E major... Liszt
Anne Fitzpatrick.

Violin--
Concerto, No. 1... DeBeriot
Helen Harrison.

Piano--
Ballade in G minor... Chopin
Mary Shastid.

Voice--
(a) Mondnacht... Schumann
(b) Herzens-Fruhling... Wickede
Jess Rottger.

Piano--
Concerto in F sharp minor... Reinecke
1st movement.
Deane Obermeyer.

Orchestral part played on organ by Mr. D. M. Swarthout.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.
Every family without exception should keep this preparation at hand during the hot weather of the summer months. Chamberlain's Colic, Cholera and Diarrhoea Remedy is worth many times its cost when needed and is almost certain to be needed before the summer is over. It has no superior for the purposes for which it is intended. Buy it now. For sale by all dealers.

LOCOMOTIVE ENGINEERS AND FIREMEN.
Washington, June 2.--A proposal to remove the national headquarters of the organization from Peoria, Ill., to Washington, D. C., is one of the important matters to be considered and acted upon at the 26th annual convention of the Brotherhood of Locomotive Engineers and Firemen, which met here today with an attendance of several hundred delegates. The convention will continue in session about four weeks. President Wilson will receive the delegates at the white house next Wednesday afternoon.

Shake Off Your Rheumatism.
Now is the time to get rid of your rheumatism. Try a 25c bottle of Chamberlain's Liniment and see how quickly your rheumatic pains disappear. Sold by all dealers.

Dale Johnson of South Main street is visiting for a few days with friends in Beardstown.

MORGAN COUNTY SOCIETY OF CHICAGO TO HAVE PICNIC.

Will Meet at Jackson Park Saturday Afternoon, June 21.

The Morgan County Chicago society will hold their annual picnic this year at Jackson park and the location selected is in the vicinity of the German building. The date is Saturday afternoon, June 21, and it is expected the attendance will far exceed any previous event of a similar character, as there are several hundred former Jacksonville and Morgan county residents now living in the city by the lake.

Mr. and Mrs. James March Patterson have been for several days visiting among their friends in this city where they formerly resided and they will no doubt be the bearers of many messages to the friends in Chicago from those they have met while on their visit. Mr. Patterson is the president of the society and speaks in glowing terms of the expected pleasure at the coming event.

Can't Keep It Secret.

The splendid work of Chamberlain's Tablets is daily becoming more widely known. No such grand remedy for stomach and liver troubles has ever been known. For sale by all dealers.

GRADUATION WEEK FOR THE MIDDIES.

Annapolis, June 2.--Maryland's old capital city appeared in a gay and festive mood today at the opening of the week of gala exercises incident to graduation at the United States naval academy. Hosts of admiring relatives and other friends of the country have gathered here for the occasion.

The program of the week was ushered in at 10 o'clock this morning with the official reception to the board of visitors appointed by the president and congress to conduct the annual inspection of the naval school. The reception was followed by an infantry drill by the midshipmen, and this afternoon the members of the board witnessed a dress parade. Other drills, exhibitions and social functions will carry the program along until Friday, when the graduation exercises proper will be held and the members of the first class will be addressed by Secretary Daniels of the navy department.

THE BRILLIANT STARS OF JUNE.

By the end of June, Mars, Venus, Saturn and Jupiter will all be morning stars, but Foley's Honey and Tar Compound is at all times the "Star" medicine for coughs, colds, croup and whooping cough. A cold in June is as apt to develop into bronchitis or pneumonia as at any other time, but not if Foley's Honey and Tar Compound is taken. It will surely head off the cold, and heal the inflamed membranes. The genuine in a yellow package. City Drug Co.--J. A. Obermeyer.

TO HAVE BRILLIANT WEDDING.

New York, June 2.--The white and gold ballroom of the St. Regis will be the scene of an unusually brilliant wedding tomorrow night, when Miss Blanche Lazo, the daughter of Antonio Lazo-Arriaga, formerly the Guatemalan minister at Washington, will become the bride of John F. Steinman of Lancaster, Pa. The bridesmaids will be Misses Caroline and Elizabeth Steinman, sisters of the bridegroom. Miss Caroline Franklin of Lancaster, Miss Jean Stewart of New York, and Miss Gabrielle McQuade of Plainfield, N. J. Little Miss Carita Mehta, the daughter of the minister from San Salvador, will be the flower girl.

CARD OF THANKS.

We wish to thank our many friends and neighbors who so kindly assisted us during the illness and after the death of our husband and father. Also for the beautiful floral remembrances.
Mrs. Trimble and Daughter.

RELIABLE INSURANCE

The cost of insurance is a necessary business expense. We give all policies intrusted to us personal and careful attention and place them with wholly reliable companies.

Farrell Bank Building

NATURE'S SPARES

The Stretched Knee From Grief.
What a fortunate provision of nature it is, that deprives the rose of man's suffering, for how poignant would be its grief to discover, in the height of its blooming glory, that a cancer fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the investigations of scientists, the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Hair Remedy absolutely destroys this germ, thus permitting the hair to grow as nature intended. Sold by leading druggists. Send 10c in stamps for sample to The Hair Remedy Co., Detroit, Mich.
TWO SIZES--50c. AND \$1.00

For Sale at all Drug Stores.

Philadelphia . . . 320 000 040—9 15 3
Washington . . . 100 300 000—4 11 4
Batteries—Brown, Bush, Bender and Lapp; Mullin, Boehling, Hughes, Engel and Henry.

Second game:
Philadelphia . . . 000 101 020—5 9 5
Washington . . . 000 003 000—3 6 1
Batteries—Houck, Brown and Lapp; Johnson and Almsmith, Henry.

PIRATES TAKE FIRST OF SERIES FROM BOSTON BRAVES

James, Seattle Spitter Lasts But Three Innings, Six Runs Being Scored Off Him.

Pittsburgh, Pa., June 2.—Pittsburgh took the first game of the series with Boston today. Slow fielding of bunts in the early innings and timely Pittsburgh hits routed Bill James the Seattle spitter after six runs had been made off him. He retired after the third inning.

Score:
R. H. E.
Boston . . . 100 030 000—4 9 1
Pittsburgh . . . 033 010 00—7 12 1
Batteries—James, Strand and Rariden; Whaling; Hendrix and Simon.

PHILLIES WIN EASILY.
Philadelphia, June 2.—Philadelphia rolled up a five run lead in the first inning of today's game with Brooklyn and won easily the final score being 6 to 2.

Club . . . R. H. E.
Brooklyn . . . 010 100 000—2 6 0
Philadelphia . . . 500 000 01—6 8 1
Batteries—Ragon, Wagner and O. Miller, Erwin; Seaton and Killifer.

WORLD CONFERENCE OF STUDENTS.

Mohonk, N. Y., June 2.—The conference of the World's Students' Christian Federation, which met here today for an eight-day session, is the largest and most representative gathering of its kind ever held. The attendance far exceeds that at the meetings held in previous years in London, Versailles, Tokio and Constantinople. England, Germany, Russia, Hungary, Sweden, Norway, Finland, China and Japan are among the countries represented by delegates. The new religious influences in China and Japan, the German theological attitude, and the French attitude since the passage of the separation act are among the subjects that will be considered by the conference.

HOW THEY STAND.

Clubs.	Won.	Lost.	Pct.
Philadelphia . . .	23	11	.676
Brooklyn . . .	21	16	.568
New York . . .	21	16	.568

Boston at Pittsburgh.
Brooklyn at Cincinnati.
New York at St. Louis.

American.
St. Louis at Washington.
Detroit at Philadelphia.
Cleveland at New York.
Chicago at Boston.

**KANSAS CITY GIRL WEDS
RICH FRENCHMAN.**

London, June 2.—The marriage of Miss Frances Scoville, a beautiful American girl, and Walter DeMunn, of the French family of champagne fame, took place quietly today at St. George's church, Hanover square. There were no attendants and the only persons present were the relatives and a few intimate friends of the contracting parties.

The bride is the daughter of Courteney K. Scoville, a banker of Seneca, Kas. After her graduation in her native town some years ago she came to England and has since resided here with her sister, Mrs. Louis Treadwell. She is a great sportsman and is said to be the only woman who has ever gone down the Crest's Run at St. Moritz.

It was at St. Moritz that Miss Scoville first met Mr. Munn. The latter, like his bride, is noted for his fondness for outdoor sports. For a time he was actively interested in aeronautics and in 1910 visited the United States and took part in the international balloon race that started from St. Louis in that year.

The couple expect to reside in France mostly, dividing the time between the beautiful town house Mr. Munn has purchased in Paris and their country home on the outskirts of the city.

DISTILLERS OUTHIT GEMS BUT LOSE GAME 2 TO 1

Tretter Was Hit For 13 Safeties
But Was Effective With Men on
Bases—Other Three-Eye Results.

Quincy, Ill., June 2.—Peoria hit Tretter freely but he was very effective with men on bases, Peoria's only run being made possible by Kerwin's error.

Goelvin batted in both of Quincy's runs.

Club . . . R. H. E.
Quincy . . . 101 000 00—2 5 1
Peoria . . . 100 000 000—1 13 2
Batteries—Tretter and Billings; Malloy and Yelle.

Danville, 3; Bloomington, 0.
Danville, Ill. June 2.—Neal allowed but four hits, three of which were scattered and Bloomington was shut out 3 to 0.

Piskett pitched winning ball, but the inability of his teammates to hit Neal cost them the game.

Club . . . R. H. E.
Danville . . . 010 002 00—3 7 4
Bloomington . . . 000 000 000—0 4 0
Batteries—Neal and Quellsier; Piskett and Erloff.

Dubuque, 3; Davenport, 6.
Dubuque, Ia., June 2.—Dubuque pulled up six errors, four credited to Daringer and gave the game easily to Davenport. Davenport outhit Dubuque and had almost perfect fielding.

Crouch had the home boys guessing most of the time.

Club . . . R. H. E.
Dubuque . . . 001 100 100—3 7 6
Davenport . . . 003 101 010—6 11 2
Batteries—Seaman and Boucher; Crouch and Coleman.

Decatur, 7; Springfield, 6.
Decatur, Ill., June 2.—Harper held Springfield to four hits until two were out in the ninth when five consecutive drives scored three runs.

Lakoff replaced Harper and struck out the last man.

Club . . . R. H. E.
Decatur . . . 202 010 20—7 8 2
Springfield . . . 020 001 003—6 9 4
Batteries—Harper, Lakoff and O'Brien; Mercer, Delave and Wolfe.

CALENDAR OF SPORTS

Annual track and field championships of Southern A. A. U. at Birmingham, Ala.

Western conference intercollegiate athletic championships at Madison, Wis.

Annual track and field championships of Southern A. A. U., at Birmingham, Ala.

Start of motor boat race from Philadelphia to Bermuda.

Opening of the season of the National Lacrosse union of Canada.

National interscholastic track and field championships at Travers Island, N. Y.

"Wildcat" Ferns vs. Patty McIntyre, 10 rounds, at Winnipeg.

PRESBYTERIANS OF CANADA.
Toronto, June 2.—A large proportion of the several thousand delegates and visitors to the 40th General Assembly of the Presbyterian church in Canada have already arrived in town.

There is practically a full attendance of the ministerial commissioners, and the arrivals late tonight and early tomorrow morning the expected to make up the complement.

The representation of elders is also large, and includes many distinguished men prominent in former assemblies. Western Canada, in particular, promises to be unusually well represented at the sessions this year.

With the meetings of several standing committees and conferences of the church today the assembly began to get under way, though the formal opening does not take place until Wednesday evening.

The assembly will open in Knox church, but it will immediately adjourn to Massey hall in order that accommodations may be provided for all the visitors.

The first important business on the assembly program will be the selection of a moderator. The name most prominently mentioned in connection with the honor is that of Rev. Dr. Murdoch MacKenzie, for many years foreign missionary to Nonan, China.

The general assembly has not had a foreign missionary for moderator since 1894.

ON THE SIDELINES.

It took the St. Louis Browns to stop the winning streak of Cleveland. Up to the first game of Sunday Birmingham had nine straight to his credit. Then in stepped Mr. Baumgartner and put the kibosh on the march to ten straight and a record.

The expected has happened. Chance has traded Hal Chase to the White Sox. He gets "Babe" Borton, a first class first baseman and Rolla Zeider, a star at the third base corner. So it looks like Chance got the best of it.

Chase is a great player, of course, but is not so young as he once was and is extremely "temperamental" besides. Borton has demonstrated that he is a good, steady youngster and under Chance's tutelage should develop into a real star.

Everybody knows what Zeider can do. It was probably because the Sox already have a tried third baseman in Capt. Lord that Callahan consented to let Rolla go. Of course this trade means that Chase will appear regularly at first base for the Sox. It is not to be denied that he will add strength to the team, but still we would rather be on the New York end of the bargain.

Ty Cobb has assumed his proper place at the head of the batsmen of the American league. His percentage is .475. Joe Jackson, the Cleveland slugger, is second with .438. Speaker has .386 to his credit, Collins of Athletics, .375 and LaJolie .348.

In the National league, McDonald, of Boston, is the leader with .429. Cravath has .400 in his favor. Wagner of Pittsburgh, is third with .351. Viox of the same club is hitting .345 and Huggins of St. Louis is the fifth man with .344.

Clyde Milan leads them all in stolen bases. He has 27 to his credit. Bush, Detroit and Oldrig; Athletics, are pushing him close and he has to keep his best foot forward to retain the lead.

The climbing Pirates are going great guns and are making their erstwhile knockers take to the woods. It is the sudden rounding into form of the pitching staff that is responsible for their rapid progress pennantward. Clark knew he had the goods right along. It was their failure to get a start that worried him. Now he is all smiles.

Frank Donnelly celebrated his fiftieth or thereabouts, birthday Sunday by making four hits off Pitcher Gray of Decatur. And it was Frank's hitting that won the game for his side. Who says the players of today are superior to those of thirty years ago. You'll have to settle it with Frank.

The New York Giants will play in Decatur Friday. Many notable men are expected to be present, among them Mike Sexton, Al Tarnsey and Dick Kinsella, if he happens along in time. Schupp and Wilson, who once wore Decatur uniforms, will be in the points for McGraw's team.

If the Giants expect to take any money out of town the attendance will have to be better than it was Sunday when but a few hundred turned out.

The deadly summer climate seems to be getting in its work at Washington early this season. It usually begins about the middle of June. Washington plays like world beaters up to that time and then gradually subsides. Looks like the usual course of events was to occur. Even the great Johnson looked like an ordinary everyday pitcher to those rampant Athletics.

Stovall's Browns open a four game series with Washington today and it remains to be seen which will take the series. At any rate it is bound to be a fight from the time the first ball is pitched until the final out in the last game. The Browns seem to be in better shape than the Senators and this should cut some figure in the final returns.

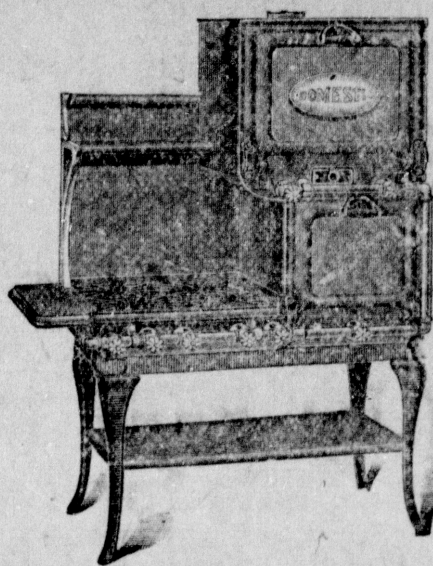

Brooklyn is no longer feared. The other teams have taken their measure and are pushing the Dodgers steadily down the incline. And the Giants are at last beginning to respond to the whip and show their class. The warm weather is great for that team and they are taking full advantage of the torrid wave now engulfing the country. So its an ill wind that blows nobody good. While the ordinary mortal is suffering the Athletics are right in their element.

George Pennington, the Kewanee manager, is said to be the descendant of an English lord and in direct line to the title and heir to untold wealth. The players have already dubbed him "Lord" Pennington and he is being gayer to death by the bleachers. He was recently fined \$10 in a game at Keokuk and called before President Justice for a little confab about his habit of indulging in strong language toward the arbitrators when things don't suit him. An old offense of George's.

GRAHAM TO TERRE HAUTE.
Danville, Ill., June 2.—Outfielder Graham of the local Three-Eye league team was sold today to the Terre Haute Central league for \$500 cash and the choice of any Terre Haute player.

Graham was obtained from the St. Louis American league team near the close of the training season of 1912.

I-M. PLAYER TO THREE EYE.
Peoria, June 2.—Outfielder Moore and Pitcher Grogan of the Peoria Three Eye team have been traded for Outfielder Smith of the Lincoln team in the Illinois-Missouri league.

SERMON TO WOMAN'S COLLEGE GRADUATES

BACCALAUREATE SERVICE SUNDAY ATTRACTED GREAT AUDIENCE.

Bishop McIntyre in Great Address Laid Emphasis on the Need of Working for Others—Calls Life a Battle But Says the World Grows Constantly Better—Dr. Harker's Personal Word to Graduates.

The baccalaureate services of Illinois Woman's college held Sunday morning at Grace M. E. church was a very notable gathering. Various Methodist churches of the city and county united in the service and a great audience was present. Bishop Robert McIntyre of Oklahoma City preached a sermon of great power and Dr. Harker gave the address to the graduates. The services were nearly two hours and half in length but not until the final half hour was there any sign of restlessness.

When the time for announcements came Rev. J. W. Miller, Rev. G. W. Plagge, Rev. H. S. Alkire and Rev. E. B. Houck mentioned services of special interest to their congregations.

Among the ministers present were Dr. Thomas Nicholson, Dr. W. J. Davidson, Rev. J. W. Miller, Rev. G. W. Plagge, Rev. F. A. McCarty, Rev. H. S. Alkire, Rev. E. B. Houck, Rev. H. F. Cusick.

The order of services was as follows:

Organ—Pilgrims Chorus Wagner-Liszt
Mr. Donald M. Swarthout.
Hymn No. 106.
Apostle's Creed.

Invocation—Dr. Nicholson.

Solo—Hear ye Israel, Mendelssohn.

Miss Anna Lavina Beebe.

Responsive reading—Rev. J. W. Miller.

Scripture reading—Dr. McCarty.

Announcements.

Offertory—Marche Celeste Cole

Trio (Ladies Voices) O, Blest Redeemer Marchetti

Miss Beebe, Miss Miller, Mrs. Hartmann.

Sermon—Bishop Robert McIntyre, D. D. L. D.

Address to class—President Harker.

Hymn No. 180.

Benediction—Lr. W. J. Davidson.

Organ postlude—Allegro Pontoso

Halloway.

The graduates and students of the college preceded by President Harker, Dr. Nicholson, members of the board of trustees, members of the faculty and prominent visitors formed a procession to the church and occupied the central seats.

The preliminary services took an hour and then Dr. Harker introduced Bishop McIntyre whom he said had made application to the M. E. conference for admission, thirty-seven years ago in this city.

At that time the young man was a bricklayer. Bishop McIntyre who is known as one of the most eloquent of the divines of the great M. E. church preached a sermon of great power. In the choice of English and with the most unique figures of speech he painted out the great truths that he wished to bring home to his hearers. His text was St. Luke 22:36 "He that hath no sword let him sell his garment and buy one." Just a few scattering thoughts of the magnificent sermon can be presented herewith:

"Christ by these words did not mean material warfare for that very night he rebuked Peter for drawing his sword. It was Christ's picturesque way of saying the Christian life is a battle. Life is a battle and each one should be armed at any cost. This was what was in Paul's mind when he said: 'I have fought a good fight, etc.' Longfellow in one of his poems emphasizes the same thought and it was Roosevelt who said that the law of progress in national affairs is a steady unending conflict. And then the scientist tells us that every form of life has come up by a struggle and that it is the fittest that survives. So everything in life is worthy of some honor or recognition because it is the heroes in life which remain.

"By commencement we really mean that you are just about to enter upon the battle of life and I congratulate you that you are armed and made fit and that through the conflict you will be armed and cheered by thoughts of your alma mater. I have known this college nearly forty years and know how great is its work and splendid is the atmosphere that it has created. The fact that you have finished shows your strength for it is the weaklings which have fallen by the way and so the world has a right to expect much from you.

"The foe you will face is not one of flesh and blood but a relentless foe who will tempt you on all hands. Every man and woman has this adversary to fight. You can get the thought of why life is a battle if you think of the battle of Chattanooga. Every other battle had one center or pivot but this battle had two centers, 'Lookout Mountain' and 'Missionary Ridge.' The battle of Lookout Mountain signifies looking out for self and Missionary Ridge typifies looking out for others.

"Creation tied two different natures in us and bound them up together. One nature is akin to the angels and the other reaches down to the jungle and the morass.

These two natures in him insure a warfare. They were in the plan when we were created. If I had but one grain of corn and one beautiful diamond and knew that the grain of corn was the only one in the world, I would value the grain of corn far above the diamond. If that grain was planted and all it raised repaid for five years the whole of the earth would be covered with grow-

ing corn. This would be possible because of the measureless life which sleeps in the germ in the corn. Not so with the diamond for there is no life there. The mass of the seed must die in order for the germ to live and so it is with human beings. You must crucify the flesh in order that the divine in you may survive and develop.

The battle of life concerns self and others I have said and after caring for one's own self and conquering the sins that beset us comes the duties to others and after all life is nothing without services for others. The minute we give up struggling that very minute we begin to shrink and shrivel. Love folks is a great command and there are good reasons why we should love and aid the great common people. Jesus Christ who knew never had one word of accusation or criticisms for the common people and on the contrary had great compassion for them. We often misjudge the common people and we find that the nearer we come to them the better they are. They are off the same piece of goods as our own families. Then by intimacy with the people we find 1,000 good ones to one bad one. The papers tell about one dishonest bank clerk and make no mention of the thousands that are honest and so it is with other matters of goodness and badness. Goodness is normal and badness is getting scarce every year. The sea is the place of selfishness for there all creatures feed upon the others and each one lives for himself alone. Live and work for others and happiness and contentment will be yours."

Dr. Harker's address to the graduates was as follows:

President's Address.

Young Women of the Class of 1913:

The college tasks are all over and done, and I come at the close for a few words, not by any means new, but by way of reminder.

We are about to give you baccalaureate honors, the seal, the stamp of educated womanhood. We have been testing you, assaying you, so to speak; and having found that you are the genuine metal, we are now stamping you and issuing you as current coin of the college commonwealth.

First of all, let me remind you that the college degree is not the most important thing. It is merely an outward intellectual and spiritual grace. You cannot make a gold eagle out of a piece of lead simply by gilding it and passing it through the mint. It remains true for all time, to quote and adopt Burns' famous lines:

"The degree is but the college stamp, The woman's the gold for a' that."

College honors will gradually wear off. O, young women, be always and everywhere and in everything true, genuine, pure; and being true, you will then ring true in all the tests that life may bring.

And secondly, let me remind you that you are educated women, trained to see, to know, to hear, to understand, to think, to plan, to execute—educated, but still and always women. Your college education has been misguided if it has not made you more willing, better able for every womanly duty; more anxious and more capable for every womanly relation, more nearly approaching in all its noblest elements the ideal of a perfect womanhood.

And without controversy, for there is altogether too much controversy these days, let us keep to the old and sure foundations and never forget what some of these noblest elements are. It is the great honor of a woman to be pure, and sweet, and beautiful, and strangely and strongly gentle and patient. And wherever else a woman may go (and they are surely foolish who would close any gateway to her when she wills to enter), wherever else she may go or be, we know we can always find her at the center and source of all human interest and good—the family home, and those other centers which are merely enlarged and extended homes—the church, the school, and the social community. These centers of all the most potent factors in the world's redemption, and uplift are unthinkable without woman, and perfect womanhood is equally unthinkable outside of, or apart from, these centers. The old question: "What is home without a mother?" is equally pathetic in its converse: "What is mother without a home?" Let the men do their own work. Do not seek to enter into competition with them along their own lines. There is enough for all to do. Let the men make the living. You can do that if you need to, but yours is the greater honor and the greater service. It is yours to make all life greatly worth while.

It is yours to make the home a holy and happy place, the birthplace of noble life; it is yours to have charge of the training of the children in the homes and in the schools, inspiring them to highest ideals, and insuring a strong and pure manhood and womanhood in the coming generations; it is yours to make the church the center of all that is most beautiful and elevating in the spiritual life, both of the individual and the community; and it is yours in every social community to put away the evil and the sin and the ugliness, and to make that "city beautiful," for which we have all been so long praying.

Carry then your educated ability, your educated purity, your educated sweetness, your educated beauty and gentleness and patience—in short, your educated womanliness—carry this into every home and church and school and community, making the dark places bright and the sad homes happy and the foul places clean; filling the world with healthy children, and making their childhood happy; teaching men to be patient and to love, and sustaining them in their tasks; making all of life worth while. O, young women, what a noble and holy privilege is educated consecrated womanhood!

Bear a lily in thy hand—

Gears of brass cannot withstand

One touch of that magic wand.

Bear through sorrow, wrong and ruth In thy heart the dew of youth, On thy lips the smile of truth.

O, that dew, like balm, shall steal Into wounds that cannot heal Even as sleep our eyes doth seal;

And that smile, like sunshine, dart Into many a sunless heart For a smile of God thou art.

COFFINS FOR DEAD PETS.

Funerals, Too, and Private Cemeteries and Crematoriums.

British society women are getting more and more eccentric in the attention that they bestow upon their dead pets. One titled lady keeps in a prominent position two dead dog pets embalmed in glass coffins in her drawing room.

Certain London undertakers reap a considerable part of their income by making coffins for pets. These are often satin lined, the animal's head rests on a satin cushion, and maybe its "face" is covered with a lace handkerchief. Wreaths and flowers are used, and where burial takes place in a cemetery a hearse is sometimes engaged, with mourning carriages following. The monumental masons also benefit.

Many people prefer cremation for their pets, and there are any number of veterinary surgeons who have a crematorium fitted up. In some cases the ashes, canine or feline, as the case may be, are inclosed in a beautiful jeweled urn. A favorite bird is sometimes buried in a bed of cotton wool.

The well known pets' cemetery in Hyde Park is now full, but there are plenty of similar cemeteries throughout the country. There is one, for instance, at Huntington, and another at Haverhill, in Suffolk. In addition to this, there are hundreds of gardens in London where headstones marking the last resting place of some departed pet can be seen.—Brooklyn Eagle.

FEATS IN DIVING.

Combination Somersaults of the Expert Swedish Swimmers.

The Swedes delight in "combination diving," and two men will perform many clever feats together. One of the most grotesque of these is when one man stands upright on a springboard and tightly grasps another man's body around the waist, holding him head downward and putting his own head through the man's legs. When the upright man springs from the board he throws his legs into the air so that the two men, clasping each other tightly round the waist, turn a somersault, and when they reach the water the man who started upside down arrives feet foremost.

The handspring dive is a very effective specialty of Swedish swimmers. The performer takes off from the diving board with hands instead of feet, turning his body in order to descend feet foremost or somersaulting to arrive head downward.

Very graceful also is the back dive, in which the spring is made backward, the body turning toward the springboard.

Double somersault dives are made from platforms thirty to fifty feet high, the diver making two turns in the air and entering the water feet foremost.—London Saturday Review.

A Heavy Collar.

The heaviest burden which the French president has to bear during his tenure of office is the collar which he wears as grand master of the Legion of Honor, an office which is always filled by the ruler of France. The collar consists of medals, each the size of a franc, engraved with the arms of the principal French towns and joined together by a massive chain, the links of which are fashioned to represent bundles of lictors' rods. Attached to the chain is a cross close on two feet in length. As the decoration is made throughout of solid gold, its weight is enormous, and diminutive presidents, such as MM. Thiers and Loubet, found it almost unbearable. Fortunately the president is not often called upon to cumber himself with it. The only occasion when M. Loubet wore his grand master's collar appears to have been the day he was invested.—London Chronicle.

Dog Heroes.

At a recent dog show in London one department had a row of kennels in which was exhibited a line of "dog heroes," dogs that had served humanity in a noble way. These canine nobles proved to be the great feature of the show. Among these, all authenticated cases of noble conduct, were a Scotch collie that had saved a child from being run over in the street; an Irish terrier that had guarded the body of an old woman who had died from exposure; a collie that had saved a child from drowning and an Alredale that had saved his master from being stabbed by a Norwegian sailor.

Slow Chap.

"Yes," laughed the girl with the pink parasol, "he is the slowest young man I ever saw."

"In what way, dear?" asked her chum.

"Why, he asked for a kiss, and I told him I wore one of those knotted veils that take so long to loosen."

"And what did he do?"

"Why, the goose took time to untie the knot."—Mack's Monthly.

Good Business.

Very Young Man—You wouldn't think it, but I've just paid \$25,000 in cash for a house, and it was all made by my own pluck and perseverance.

Young Lady—Really? What business are you in?

Very Young Man—I'm a son-in-law.—London T2-Bits.

GIRLS WHO ARE PALE, NERVOUS

May Find Help in Mrs. Elston's Letter About Her Daughter.

Burlington, Iowa.—"Lydia E. Pinkham's Vegetable Compound has cured my daughter of weakness. She was troubled almost a year with it and complained of backache, so that I thought she would be an invalid. She was entirely run down, pale, nervous and without appetite. I was very much discouraged but heard of Lydia E. Pinkham's Vegetable Compound through friends and now I praise it because it has cured my daughter."—Mrs. F. M. ELSTON, R. D. No. 3, Burlington, Iowa.

Case of Another Girl.

Scanlon, Minn.—"I used to be bothered with nervous spells, and would cry if anyone was cross to me. I got awful weak spells especially in the morning, and my appetite was poor. I also had a tender place in my right side which pained when I did any hard work. I took Lydia E. Pinkham's Vegetable Compound and my symptoms all changed, and I am certainly feeling fine. I recommend it to every suffering woman or girl. You may use this letter for the good of others."—Miss ELLA OLSON, 171 5th St., Virginia, Minn.

Young Girls, Heed This Advice.

Girls who are troubled with painful or irregular periods, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

For the Children

Miss Bertha Kountze.
Who Posed For Charity.

© 1913, by American Press Association.

When a short time ago the members of New York's Four Hundred decided to give a series of tableaux representing famous paintings for the benefit of a charity fund there was much scouting about to find children who could with fair accuracy portray the subjects to be presented. Little Miss Bertha Kountze, daughter of Mr. De Lancy Kountze, was selected after several candidates had been refused to portray the painting of "A Little Girl," as pictured by Sir Joshua Reynolds. The half tone shows her as she was snapped by the photographer. She made a pretty picture and one that is considered a good replica of the original.

The Bluebird.

"True-ally, true-ally," sings Mr. Bluebird from his perch while his mate goes about "house hunting." "True-ally, true-ally," he gently warbles, and then he, too, goes and inspects the knothole in the old tree, all the while keeping up his song that is one of the sweetest and tenderest and truly "love songs" of animate creation.

His ways are ways of pleasantness, but his paths are not always those of peace. His mate selects knotholes or deserted woodpecker holes in the tree or nesting boxes that have been put up in the dooryard. For these different places he often must fight to obtain possession, for martin, wren and English sparrow will lay claim to these desirable premises. But when the nest is completed and his mate is sitting he watches the place with a jealous care and will drive away, with many a savage thrust of bill (showing that he, too, has a temper, any bird that alights near the sacred nest. While she is brooding he is very attentive, bringing her food and cheering her with his singing.

Curious Button Law.

There was a time when most foreigners traveling to England had to visit a tailor on arriving. In order to have their buttons changed. According to a law passed in the eighteenth century, any person in England wearing buttons made of cloth, serge, drugget or frieze was liable to a penalty of \$10.

The author of one of the earliest of guidebooks, "Le Parisien a Londres," warns visitors of the law, adding: "Some people call it an iniquitous regulation, but in my opinion it is both just and wise, since it prevents the button makers being ruined by sudden changes of fashion and encourages the manufacture and export of their wares. A foreigner wearing a coat with cloth buttons made in his own country is not fined when first charged with this breach of law. He must, however, hasten to obtain proper buttons or he may be arrested again on the following day."

Conundrums.

What is the difference between a mother and a barber? One has razors to shave and the other shavers to raise.

What kind of business never makes progress? The stationery (ary) business.

Why is Ireland likely to become the richest country in the world? Because its capital is always Dublin.

Why is a bad riddle like a poor pencil? Because it has no point.

How do you swallow a door? Bolt it.

Why is a thump like a winter hat? Because it is felt.

Why ought a fisherman to be very wealthy? Because his are all net profits.

Game of Horses' Tails.

You must all watch carefully and when you see a horse in the distance guess the color of its tail. As the horse gets nearer and nearer the excitement becomes intense. The player who guesses correctly scores 5, and the player who scores 20 first wins the game.

Dandy Dandelion.

Dear little golden flower,
Dreaming the days away,
Can you count each passing hour?
Do you know the time of day?
Will you kindly tell me
When you change your frock?
Are you a dandy dandelion,
Or are you a four-o'clock?

In the green grass growing
I saw your golden head,
But when I ran to pick you
My darling mother said:
"Wait awhile, my girl,
And see Dandy change her frock."
Then your yellow dandelion
Will be a four-o'clock."

I've watched you in the meadow
Each day I've longed to see
You change into a puff ball
How strange that seemed to me!
And now you're daisy-fuzz,
But I do not like your frock.
Please be a dandy dandelion
And not a four-o'clock!

CITY AND COUNTY

J. A. Elliott has gone to Woodlawn for a business visit.

Warren Luttrell of Franklin was in the city yesterday.

Mrs. J. H. Fountain of Chapin was a visitor in the city Monday.

Dr. H. C. Campbell of White Hall spent yesterday in the city.

I. D. Megginson of Woodson has returned home. He accompanied W. B. McCormick on his recent trip to Larimore and Lakota, North Dakota.

Mrs. Albert Gibson and daughter Miss Ina, and Mrs. S. W. Seymour and daughter, Miss Hallie, of Franklin, were among the ladies shopping in the city Monday.

Mrs. Robert Thomson of Petersburg is spending a few days at the home of her son, Attorney W. E. Thomson on Clay avenue.

Arch Barnhart and family and Charles Laney and family spent Sunday at the home of Fred Zorn, at Chandlerville. He is the father of Mrs. Barnhart and Mrs. Laney.

W. P. Phillips, who has been studying abroad for the past year will probably visit home this summer as he has had a number of tempting offers from chautauqua bureaus.

Dr. and Mrs. W. W. Schemerhorn departed Sunday for a sojourn of two months in Los Angeles, Cal., and Portland, Ore., and will probably visit other cities on the Pacific coast before returning home.

A. M. Upham who with his wife are visitors in the city left Monday on a business trip to Keokuk, expecting to return in a few days to rejoin Mrs. Upham who will remain here for a week or longer.

Mrs. E. W. Barrett of Pittsfield, mother of Mrs. T. L. Cannon has been a guest in the city. She is in attendance at the diamond jubilee of Monticello Seminary of which school she is a graduate.

Mr. and Mrs. Dennis Schram and J. F. Shreve expect to leave this evening for Hot Springs, Ark., where they will join Mrs. Shreve and daughter, Miss Helen, who preceded them a week since. The party will have an outing of about ten days.

Miss Myrtle Swales of Chicago spent Sunday at the home of her parents, Capt. and Mrs. J. M. Swales on Clay avenue. The young lady has for the past five years been chief stenographer in the office of the Northwestern Millers association in Chicago.

Mr. and Mrs. Will Finley Brown of Citronelle, Ala., are in the city to spend the summer, and have secured as a home the residence of Mr. and Mrs. T. P. Carter on Lincoln avenue who expect to spend the hot months in northern summer resorts.

Mr. and Mrs. Patrick Quigley went to St. Louis yesterday to be present this morning at the marriage of Miss Marie McEnroe and Andrew Mountaserne. The lady is well known in this city her former home. The groom is engaged in the drug business in St. Louis.

GOES TO TERRE HAUTE.

Miss Bea Ellis who has been spending a few days in the city with her parents, Mr. and Mrs. J. T. Ellis on South West street, left Monday morning for Terre Haute, Ind., to take a position as instructor in the Brown's Business College there. Miss Ellis has been teaching in the Brown school at Bloomington the past winter.

WHITE SOX WIN.

The White Sox ball team went to Ashland Sunday where they defeated Ashland team by a score of 9 to 6. Fast baserunning and Franz homer with two on bases won for the Sox. The score:

Ashland.....6 4 4
Sox.....9 11 5

Batteries—Dove, Gasper, and Lakamp; Nelson and Hamm.

Want to Feel Young?

It's Olive Tablets For You!

Beware of the habit of constipation. It develops from just a few constipated days, especially in old people, unless you take yourself in hand.

Coax the jaded bowel muscles back to normal action with Dr. Edwards' Olive Tablets, the substitute for calomel. Don't force them to unnatural action with severe medicines or by merely flushing out the intestines with nasty, sickening cathartics.

Dr. Edwards believes in gentleness, persistency and nature's assistance. Dr. Edwards' Olive Tablets oil the bowels; their action is gentle, yet positive. There is never any pain or griping when Olive Tablets are used. Just the kind of treatment old persons should have.

Take Olive Tablets mixed with olive oil and have no trouble with your bowels or stomach.

"Every little Olive Tablet has a movement all its own." 10c and 25c per box.

The Olive Tablet Co., Columbus, Ohio.

HORSE SHOW IN WINNIPEG.

Winnipeg, June 2.—Neither in number nor in class has the entry list of the ninth annual Winnipeg Horse Show, which had its formal opening to day, been equaled in the history of the association's yearly exhibitions. Seven hundred blue-blooded equines are entered in the show this year. Included in the lot are the finest show horses of the entire west. Some of the most prominent stables of eastern Canada, also, are represented, and some spirited competitions for the coveted ribbons are expected. The prize list this year includes many notable trophies, among them the handsome silver award of his highness, the Duke of Connaught. The judging of exhibits and award of prizes begins tonight and will continued until the show closes at the end of the week.

WILL TEACH MUSIC.

The many friends of Miss Alma Wilday will be pleased to learn that she has been secured as a member of the faculty in the Conservatory of Music in Indianapolis, and will also be the soloist in one of the largest church choirs in that city. Miss Wilday was a student at the L. W. C. under the instruction of Mrs. Hartman. The lady has gone to her new position.

NOTICE OF FINAL SETTLEMENT.

In the matter of the estate of Louisa Johnson, deceased.
Notice is hereby given, that I, the undersigned, executor of the last will and testament of Louisa Johnson, deceased, have caused my final report and account as such executor to be placed on file in the office of the clerk of the county court of Morgan county, and that I shall apply to said court on Monday, the sixteenth day of June, A. D. 1913 at 9 o'clock a. m., of that day, or as soon thereafter as I can be heard, for an order of approval of said report and account and for my final discharge, at which time and place, all persons interested can appear and show cause, if any they have, why such order and discharge should not be granted.

Frank J. Heintz,
Executor.

Mr. and Mrs. J. E. McVey of White Hall were among the callers in the city yesterday.

Spring Time Is Blood Cleaning Time

Wonderful How Quickly Your Entire System Awakens When the Blood is Cleaned.

Let S. S. S. Rid You of All Blood Disorders.

If you are down with rheumatism; if you sneeze, feel chilled, are choked with catarrh, have a cough, or your skin is pimply and irritated with rash, eczema, or any other blood disorder, just remember that almost all the ills of life come from impure blood. And you can easily give your blood a good, thorough cleansing, a bath, by using S. S. S. There is no need for anyone to be dependent over the illness of blood impurities. No matter how badly they attack the system, or how unsightly becomes the skin, just remember there is one ingredient in S. S. S. that so stimulates the cellular tissues throughout the body that each part selects its own essential nutrient from the blood. This means that all decay, all breaking down of the tissues, is checked and repair work begins. S. S. S. has such a specific influence on all local cells as to preserve their mutual welfare and afford a proper relative assistance to each other. More attention is being given to constructive medicine than ever before and S. S. S. is the highest achievement in this line. For many years people relied upon mercury, iodide of potash, arsenic, "physics," cathartics and "dope" as remedies for blood sickness, but now the pure, vegetable S. S. S. is their safeguard. You can get S. S. S. in any drug store, but insist upon having it. And you should take no chance by permitting anyone to recommend a substitute. And if your blood condition is such that you would like to consult a specialist freely and confidentially, address the Medical Dept., The Swift Specific Company, 127 Swift Bldg., Atlanta, Ga.

A STRONG REFERENCE.
A young man recently applied for
a position with a large printing
house, and not having a letter of
reference, offered his bank book. It
showed a regularity of entries of de-
posit. It was a very strong recom-
mendation, indicating character and
persistence, which finally secured for
him a good position.

THE WORLD'S LATEST FINANCIAL AND MARKET NEWS

HEAVY PRESSURE DROPS QUOTATIONS

CANADIAN PACIFIC WAS EXCEP-
TIONALLY WEAK, FALLING 13
POINTS.

Average Price of Active Stocks Fell
to Lowest Figures Since 1909—
Action of Market Was Largely De-
termined by Attitude of Foreign
Holders of American Securities.

(By Associated Press)

New York, June 2.—Heavy pres-
sure was directed against stocks to-
day and on an increased volume of
business prices in many instances
broke severely. Canadian Pacific,
the exceptionally weak feature, fell
13 points, a loss within a week of
23 points.

Union Pacific declined 4%, Read-
ing 3%, Amalgamated 2% and other
standard issues 1 to 2 points. Over
thirty stocks, of which Atchafalpa, Can-
adian Pacific, New York Central,
Northern Pacific, Pennsylvania and
Union Pacific are the most promi-
nent, broke to the lowest quotations
reached this year. The average
price of active stocks fell to the
lowest figure since 1909.

The action of the market was de-
termined largely by the attitude of
foreign holders of American securi-
ties. The unpleasant impression
made abroad, particularly in France,
by the St. Louis and San Francisco,
led to a slump in American securi-
ties in London during the holiday
period here, in which time Canadian
Pacific broke 9 points. When trad-
ing was resumed here London came
into the market as a heavy seller
not only of Canadian Pacific, but
Union Pacific, Steel, Amalgamated
and other stocks. Sales for Lon-
don account, amounting to 30,000
or more shares, were instrumental
in forcing off prices sharply at the
outset. The weakness was accentuated
by bull selling here and by in-
sistent pressure against Union Pa-
cific, due to disappointment over the
Harriman system. Reading also was
under pressure, but Southern Pacific
was relatively firm. There was evi-
dence of liquidation among the
standard stocks and the undertone
was feverish and unaided to the end.
Another decline was shown in the
fourthly report of European cop-
per stocks which are 2,500 tons low-
er than at the middle of May and
12,000 lower than a year ago.

Exports of copper for May showed
an increase of over 5,000 tons.

Use this delightful ointment for sunburn, eczema, rough or itching skin and for chafing. A jar for only 25 cents everywhere.

Sold and guaranteed by Coover & Shreve

JUVENILE MODES.

Charming Hat For the Small Girl.

POKE BONNET IN MILAN STRAW.

Children's millinery is delightful this year, and there are many little straw shapes that merely need a bow of handsome ribbon, a "stickup" of some jaunty variety, to bring them up in the front rank of style, and almost any mother with the least bit of gumption can accomplish a creation of this simple sort.

The hat pictured is a poke shaped affair in a lacy yellow milan braid. The underbrim is faced with pink satin, and the crown is encircled with pale apple green satin ribbon mingled with a wreath of tiny pink rosebuds. A bow of the green ribbon hangs at the back of the fetching little model.

FOOTWEAR LORE.

Shoes and Stockings Match Skirt Linings This Season.

Colored shoes and stockings to match or contrast with the dress are now considered quite out. The latest idea is to have them match the lining and trimmings of the dress. For instance, shoes and stockings of a dull rose pink were worn with the green damask coat and dress, the skirt of which was lined, or, rather, faced, with pink, and the embroidered bead flowers were also pink. It is a very pretty idea, and it carries with it that sense of completeness of detail without which no dress can ever be artistically perfect.

For street-wear the idea can only be carried out in dark colors, but for indoor and evening frocks it is capable of infinite variety. A lovely evening frock of orchid mauve crepe, with draperies on the skirt and corsage caught up by rosettes of pale blue velvet, when the wearer moved revealed a suspicion of light blue between the skirt folds. The writer saw it first with mauve shoes and stockings, and it did not particularly impress, but when later on these were changed to pale blue the effect was magical, for in some curious way this slight difference transformed a comparatively ordinary looking dress into one of quite unusual beauty.

The Bulgarian Note.

This stunning linen frock, designed for the schoolgirl of sixteen, is carried out in a natural colored linen of the

LINEN FROCK FOR SCHOOLGIRL.

soft, uncrushable weave. The fashionable touch of the season is added by way of the Bulgarian collar, cuffs and waist strap.

A Pleasant Job.

A profession that is becoming very popular with a certain class of women is that of social secretary. She is supposed to know a little bit of everything and a little more than her employer. It's a pleasant livelihood, and the salary is good. Many society women employ secretaries for mornings only, and some friends take the same secretaries in the afternoon. One girl makes \$30 a week, with luncheons, on one of these split up jobs, and she likes it.

TO ATTEND JUBILEE.

Many From Jacksonville Will Be Present at Anniversary of Monticello Seminary.

A large number from Jacksonville will attend the seventy-fifth anniversary of the founding of Monticello Seminary at Godfrey to day. Elaborate preparations have been made for the celebration and former graduates from all over the country are expected to attend. The seminary was founded by Capt. Benjamin Godfrey.

Among those who expect to go to attend the exercises to day are: Mrs. William Banforth, Miss L. G. Topping, Miss Lora Banforth, Mrs. B. H. Grierson and Mr. and Mrs. H. H. Bancroft. Mrs. A. L. Adams went to Godfrey yesterday.

IT IS COOL AND COMFORTABLE in the GREAT NORTH WOODS AND LAKE COUNTRY of WISCONSIN AND NORTHERN MICHIGAN.

Hundreds of inland lakes and streams with game fish, and delightful summer resorts equipped with all conveniences necessary for the full enjoyment of the vacation period.

The finest of fishing, bathing, boating, yachting, golfing and tennis, or you may take automobile tours through the adjacent country, where the soft balsam of the pines pervades the air.

Madison, Waukesha, Lake Geneva, Milwaukee, Green Lake, Devil's Lake, Manitowish, Woodruff, Eagle River, Gogebic, and hundreds of other resorts and camping places are reached by the direct lines of the Chicago and North Western Ry., from Chicago. Printed matter and full particulars on application to G. F. Brigham, Jr., general agent, 315 North 10th St., St. Louis, Mo.

The Texas Wonder cures kidney and bladder trouble, removes gravel, cures diabetes, weak and lame backs, rheumatism and all irregularity of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1.00. One small bottle is two months treatment and seldom fails to perfect a cure. Send for Illinois testimonials. Dr. W. E. Hall, 2925 Olive street, St. Louis, Mo. Sold by druggists.

SUMMARY OF MAY WEATHER.

The month was remarkable for extremes of temperature as well as for the number of days on which rain fell. Opened up warm till the 7th when light frost was formed; also on the 10th and 11th occurred frost; that of the 11th forming ice, but appeared to do no damage to vegetation, after which the temperature remained about normal till the 28th, when the mercury rose to a maximum of 90; from a minimum of 49 degrees the day before (a change of 41 degrees), and gradually got warmer till it reached a maximum of 94 degrees on the 31st, making the highest mark for the month in record of the bureau at this station. The mean temperatures was 64.2, being only .4 of a degree above normal. The rainfall being only .66 inch, was 3.58 inch below normal, and while rain fell on fifteen days, there were only 6 days when .01 or more fell. In the year 1901 the total precipitation for May was .70 inches and was followed by a very dry June and July.

RACING LAW UP FOR ARGUMENT

Albany, N. Y., June 2.--The question of the constitutionality of the anti-gambling law prohibiting oral betting at race tracks and holding directors of racing associations liable for such betting came up for argument before the court of appeals to day. If the constitutionality of the law is upheld the plans now making for a revival of racing in this state probably will be left in abeyance.

RHEUMA DRIVES OUT RHEUMATISM

After 25 Years of Misery, this Man Walks, Works and Feels Fine Again.

Right away--the first day you start to take RHEUMA--the Uric Acid poison begins to dissolve and leave the sore joints and muscles. Its action is little less than magical.

RHEUMA works so speedily you actually can feel the Rheumatism leaving the body. A bottle costs 50 cents, and if you are not satisfied Coover & Shreve will return your money. Read this:

"I wish to state to you the facts and nothing but the facts. I bless the day a friend brought me a 50 cent bottle of RHEUMA. I used one half of it and it did me more good than all the medicines I ever tried. I had been afflicted with Rheumatism all over my body for more than 25 years; I could not walk, and was a broken-down man. During that time I spent a small fortune trying to be rid of the horrible disease, but without help. However, RHEUMA reached my case, and I thank God I can again use my feet and do my work. Before taking your medicine I was staying with a daughter on her farm, and despite of her loving efforts to tempt my appetite I could not eat. After I had taken RHEUMA two days my appetite returned. Yours for prosperity," Prof. H. H. Kolling, 7 S. Ninth St., Richmond, Ind., Oct. 10, 1912.

will effect a permanent cure in any this great remedy, as I believe it

APPROPRIATION REFORM.

Washington, June 2.--A special committee of the house met today and took up for discussion a variety of propositions for changing the form of preparing government estimates and appropriations. The necessity of co-ordinating the estimates in some way is generally admitted, but a variety of opinion exists as to the best plan to be adopted. Some representatives favor a modification of the English budget scheme, while others are openly opposed to the adoption of any such plan. At present the committee expects to do little else than talk over the subject in a general way. Before any change in form can be made many laws will have to be repealed, for nothing is more hedged about with statutes than the method of procedure that has to be followed in asking for and spending Uncle Sam's money.

HAS ALEXANDER FOUND THE SAME?

The Answer is Found in the Straight-forward Statement of an Alexander Resident.

We have been reading week after week in the local press of Jacksonville citizens who have been rid of distressing kidney and bladder troubles by Doan's Kidney Pills, and we have often wondered whether the same high opinion of this medicine is to be found in our neighboring towns. This frank and earnest statement by a well-known and respected resident of Alexander will set this doubt at rest.

John William Aulabaugh, farmer Alexander, Ill., says: "About two years ago I took several boxes of Doan's Kidney Pills and will say that they did me more good than all the doctors I had experimented with. I have been bothered very little with my back since I used Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name--Doan's--and take no other.

PROBATE COURT.

In the estate of Peter Banjan, inventory approved.

In estate of Nancy E. Hailey, petition for probate of will.

In estate of Joseph Tomlinson, petition for probate of will.

QUICK RELIEF FOR RHEUMATISM.

George W. Koon, Lawton, Mich., says: "Dr. Detchon's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began to use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Allcott, druggist.

LOOKING AHEAD.

Illinois College.

June 8, (Sunday)--Baccalaureate sermon.

AUSTIN, PA., FLOOD TRIALS.

Wellsboro, Pa., June 2.--The criminal charges of involuntary manslaughter growing out of the breaking of the dam at Austin, Pa., September 30, 1911, which resulted in a loss of 80 lives and practically obliterated Austin, a village of three thousand persons, were moved for trial here today.

THE TEMPERATURES.

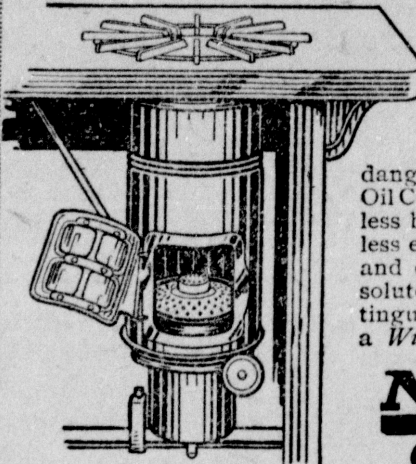

The temperatures for Monday, according to G. H. Hall, weather observer at Alexander, were: maximum 88, minimum, 60.

Take Plenty of Time to Eat.

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.

Its Wick Blue Flame

Means Intense Heat, Like Gas--Only Cleaner, Cheaper and Without its Odor and its Danger

A blue flame means intense heat. That's why gasoline is generated into gas, in a gasoline stove. This method is efficient--as far as giving heat goes. But it is expensive and is always attended by deadly odors and other dangers. In the NEW PERFECTION Oil Cook-stove we have attained an odorless blue flame that is perfect. It is much less expensive than either gas or gasoline and contains more heat units. It is absolutely safe; lights instantly and is extinguished like gasoline or gas. We use a Wick like that shown in the picture.

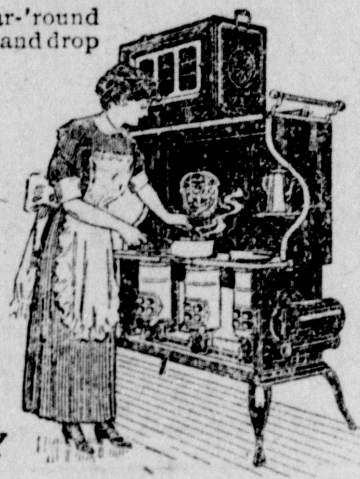

New Perfection Wick Blue Flame Oil Cook-stove

Here indeed, is a model all-the-year-round Cook-stove, with its special cabinet top and drop shelves (for keeping dishes hot), its safety oil reservoir with indicator, its dandy oven, its odorless broiler and many other exclusive features. On this stove you can do better boiling, broiling, roasting and toasting than on coal range or gas stove. No ashes, dirt or bother. No feverish heat. Over a half-million "NEW PERFECTIONS" are now in use. Have your dealer demonstrate it.

CONVOCATION AT WOMAN'S COLLEGE

MEETING IN HONOR OF PRESIDENT J. R. HARKER.

Long Service As Head of Institution and Factor in Educational World To be Recognized—President Edmund James of U. of I. Among Speakers.

A meeting of unusual interest in the calendar of commencement events at the Illinois Woman's college will be the convocation to be held in Music hall at the Woman's college this evening at 8 o'clock in honor of President Joseph R. Harker. The gathering is to commemorate the forty years of service which Dr. Harker has given to educational advancement and twenty years he has been head of the Woman's college. The list of speakers include some of the best talent of the country. Because of his interest in the life and advancement of the institution, Dr. Edmund James, president of the University of Illinois, is invited to leave his pressing duties of the big university to come over to Jacksonville and give his personality and words of encouragement and commendation to the unusual work that is being accomplished by the Woman's college, through the special efforts of Dr. Harker.

Never before in the history of education has the demands of a college president been so tremendous. He must know finance, government, problems of education, possess great executive ability and struggle with a hundred knotty questions that the average citizen never meets. Starting in a meager way in the educational world Dr. Harker has concentrated every energy to the task until he is recognized as an authority in college affairs. He is the eldest head in point of service of any of the Methodist schools of the country and has been honored by being elected president of the Association of Colleges. It is especially fitting and proper that such service as Dr. Harker has given should be recognized. It is not at all unlikely that the meeting will turn into a jollification, if the sum necessary to complete the \$180,000 endowment fund is reached. The committee is making an extra effort to complete the amount by this evening.

The addresses of the evening will only be fifteen minutes in length and the gathering will be presided over by Dr. T. J. Pitner. The public is cordially invited to attend and there will be no solicitation for funds.

The following will be the program: Music—Two Studies Op. No. 25, Nos. 1 and 9, Chopin—Miss Mary Shastid. Address, "The Illinois Woman's college and the Community"—Frances E. Baldwin. Address, "The Illinois Woman's College as Related to the Education Interests of Illinois"—President Edmund James of the University of Illinois.

Music, Gavotte and Musette, Raff, (for two pianos)—Ruth Mattocks and Moss Carter.

Address, "The Relation of the Illinois Woman's college to the Illinois College"—Rev. A. C. Piersal, D. D., of Springfield.

Address, "The Relation of the Illinois Woman's College to Methodism and the Nation"—Rev. Thomas Nicholson, D. D. L. D., New York city.

IN HONOR OF BIRTHDAYS.

The children, grandchildren and great grandchildren of Mr. and Mrs. Thomas Reese gathered at their home on 1415 South West street Sunday, giving them a complete surprise, the occasion being their birthdays. The children brought well filled baskets and the tables were filled with the delicious fruits, vegetables and everything tempting to the appetite. The afternoon was spent in a happy manner. Mr. Reese is 73 years old and his wife is 71. They have been married fifty-one years and both are enjoying good health.

Among those present were Mr. and Mrs. Henry Reese and family, Mr. and Mrs. Newman and family, Mr. Bowen and family, Mr. Ragan and family, Peter Hamel and John Thorndyke of Chapin, James Miller and family of Murrayville.

BOARD OF EDUCATION APPOINTS TWO SUBSTITUTE TEACHERS

Regular Session Held Monday Night—Miss Flossie Proctor Chosen General Teacher.

At the regular meeting of the Board of Education Monday night, Miss Anna G. Brown and Ruth Miller were appointed substitute teachers and Miss Flossie Proctor was appointed general teacher at a salary of \$50 per month.

The meeting was called to order by President Davis with all members present, the minutes of the last meeting were read and approved and all properly approved claims were ordered paid.

The clerk read a communication from Miss Anna G. Brown, instructor in manual training at the high school, requesting an increase in salary and one from Miss Allice Goodrick requesting Victor talking machines be installed in the high school to be used in connection with music teaching. Both were received and placed on file.

The annual reports of Miss Isabel Baldwin, instructor in Domestic Science and Miss Anna G. Brown, instructor in manual training at the high school were read and they showed that a good work had been accomplished in these departments during the past year. They were received and placed on file. Superintendent Furr's report showed the original enrollment of the city 2,140, average attendance 1,724.5, non resident pupils 105, number of school days 186, number of days in session 173, pupils dropped 1,977, pupils returned 1,107. Treasurer Farrell's report showed a balance of \$7,168.88 in the general fund and \$54,554.19 in the building and repair fund.

Mr. Furr submitted the budget for the year's supplies for the schools and the clerk was instructed to advertise for bids to be in by noon, July 7. Mr. Furr reported that he would be out of the city the remainder of the week, doing institute work in Jerseyville, and suggested that the work certificates book be left with the clerk, so that persons applying for certificates during his absence would have an opportunity to secure them. The board adopted his suggestion.

Member Rogerson said that he had been talking with Mr. Maddox relative to oiling Jordan street and the matter was referred to him with power to act.

Under the head of new business Member Clampt said that in his opinion the board should allow Miss Brown, instructor in manual training at the high school, an increase in salary as he did not think board could afford to let her go. His motion to increase her salary to \$1,200 a year was carried unanimously.

Member Clampt brought up the matter of Miss Flossie Proctor's appointment as substitute teacher at the last meeting and said that it had been a rule with the board for years that when a substitute teacher puts in her time as a substitute and gives entire satisfaction, she was in line for the next position in which a vacancy occurred. He moved that she be appointed general teacher at a salary of \$50 per month, and the motion was adopted unanimously.

The clerk was instructed to prepare the tax levy ordinance, which is to contain money needed for the general fund and the \$20,000 for building purposes, by the latter part of the month. As the city council usually takes up the tax levy ordinance at its first meeting in July and the board's meeting would not be held until after that session, a special session of the board will probably be held the last of this month to act on the matter.

Member Clampt brought up the matter of appointing substitute teachers and moved to elect two substitutes. Member Rogerson nominated Miss Dorothy Danskin and Miss Ruth Peak. Member Livingston nominated Miss Ruth Miller and Member Hall named Miss Sullivan. Two were voted for on the first ballot and it resulted in the choice of Miss Ruth Peak, the vote being: Member Hall, Misses Danskin and Sullivan; Member Livingston, Misses Miller and Peak; Member Clampt, Misses Danskin and Peak. The second ballot, on which only one was voted for resulted in two votes for Miss Miller and two for Miss Danskin. President Davis cast the deciding vote in favor of Miss Miller and she was declared elected.

Following this action the board adjourned.

Ripley Spring Water. Ethie's.

YOUNG LADIES' AID SOCIETY.

A regular meeting of the Young Ladies' Aid society of the First Baptist church was held Monday afternoon at the home of Mrs. E. W. Crawford, 212 East North street. The hostess of the afternoon was Mrs. Ella Crawford Stevens and the leader was Miss Clara Belle Anderson. The fourteen members present enjoyed a pleasant social hour after the regular business had been transacted.

PAYMENT REQUESTED.
All persons indebted to James W. York are earnestly requested to make prompt settlement. The accounts will be found at the office of York & Co., and payment can be made there. Mrs. Lucy York, executrix.

JUST FROM ENGLAND.

Henry and Charles Haarleah of England were visitors in Jacksonville Monday. They were on their way to Hillsboro for a visit at the home of their brother John and landed in New York three days ago. They were most agreeably surprised by what they had seen of country and it is probable that they will decide to locate here.

THE BIRTH RECORD.
Born Monday at Our Savior's hospital, to Mr. and Mrs. Wm. Kumble of Alexander, a daughter.

MADE GOOD HAUL.

Henry Kirby proved a good angler Monday, when he landed five, three pound bass from Morgan lake.

We have a large assortment, all prices.

PROTEST PROPOSED CHANGE IN UNIVERSITY MANAGEMENT

Assert in Letter to Gov. Dunne That Change Would Be a Blow to the Progress of the Institution.

Chicago, June 2.—Members of the board of trustees of the University of Illinois yesterday sent to Governor Dunne a protest against proposed changes in the system of management of the accounts of the university. The changes would be a blow to the progress of the institution, they assert. The letter of protest which is signed by W. Abbot, president of the board reads: "The trustees are informed that you have been advised to insist that all vouchers for payments by the university be submitted to you before payment, that the funds of the university be kept in the state treasury subject to warrant by the state auditor and the university be requested to pay into the state treasury all receipts from students tuition fees, federal grants, private gifts, etc. We understand further that all university funds unused by the university on Sept. 30th, following the biennium for which the appropriations were made shall lapse into the state treasury.

"The trustees feel that such a series of changes would involve a radical revolution in the management of the university. The present system has been in vogue forty years and has made the university one of the great institutions of learning of the country."

The letter goes on to say that it would be impossible for the government to pass upon 50,000 vouchers a year, that letting of building contracts would be hindered and that the grant of \$30,000 by the federal government to the agricultural experiment station would not be allowed to be deposited in the state treasury.

WOMAN ROBBED AND BEATEN.

Chicago, June 2.—Mrs. Mary McElroy of Batavia, Ill., was today found unconscious and probably fatally injured in an alley way by the police. She revived long enough to tell that she had been attacked by two men and robbed of her purse containing \$50 and of two rings valued at \$200. Her skull is fractured and she is suffering from other injuries, according to hospital physicians.

LILLIAN HYDE WINS MEDAL.

Glencove, L. I., June 2.—Cleverly outplaying a field of fifty-seven golfers over the reconstructed links of the Nassau Country club here today, Miss Lillian B. Hyde of Westbrook made a new women's record of \$2 for the course and won the medal in the qualifying round of 18 holes for the women's Metropolitan golf championship. Three years ago Miss Hyde won the Metropolitan at Mont Clair and repeated in 1911 at Searsdale. Last year she did not compete.

MATRIMONIAL

Williams-Heiser.

Mr. Earl C. Williams and Miss Amy M. Heiser were married Sunday afternoon at 4 o'clock. The ceremony was performed at the bride's sister's residence, Mrs. Dr. Elder, by Eld. Charles D. Hougham, pastor of the Christian church. The bride is the daughter of Mrs. Sarah Heiser of Chapin and is well and favorably known. The groom resides at Jerseyville, though he was born and reared in Scott county. He has served as principal of the Exeter schools this last year and has been re-employed to serve in the same capacity another year.

ILLINOIS MEN TO GET JOBS.

Senator Lewis Announces Agreement Which Cedes Pensions Bureau Places For Fletcher Dennis and H. C. Bell.

Washington, D. C., June 2.—Henry C. Bell of Marshall, the defeated Illinois candidate for commissioner of pensions, is slated to be attorney for the bureau as the result of a conference between Senator James Hamilton Lewis and Secretary Lane of the department of the interior. Thomas F. Dennis of Waverly seems very likely to get the deputy commissionership. Senator Lewis has also asked that a Spanish war veteran be given a post in the bureau, although if one is named he will not be an Illinoisan. H. M. Pindell of Peoria, who has figured in a number of slates as a possible diplomatic aspirant, is reported to have declined an important post offered him by President Wilson, although the exact nature of the offer has not been made public.

DICKSON PRESIDENT.

Boston, Mass., June 2.—Frederick Dickson of London, was made president of the First Church of Christ Scientist, at the annual meeting today. John V. Dittmore of Brookline, was named for clerk and Adam H. Dickey, of the same city for treasurer.

Members from many parts of the world were present. The report of clerk showed that 102 new churches had been organized during the year, including five in England and others in Germany, Switzerland, Australia, New Zealand and Porto Rico. The clerk also announced that the gain in membership during the year exceeded that of any other year in the history of the denomination. The financial condition of the church was reported as flourishing.

WILL CONFER WITH BRYAN.

Washington June 2.—The Right Rev. Charles Brent, Episcopal bishop of the Philippines, arrived today and will confer during his stay with Secretary Bryan, Secretary Garrison and insular bureau officials about Philippine independence and administrative questions. He will return to the Philippines in two months.

UNION SERVICE OF

GRACE AND CENTENARY

Annual Sermon to Young Woman's Christian Association of the Woman's College Preached by the Rev. W. J. Davidson.

The Rev. W. J. Davidson of Garrett Biblical Institute, Evanston, preached a very helpful sermon to the Y. W. C. A. of the Woman's college Sunday evening at Centenary church. This occasion, which is an annual event, was in the nature of a union service between Grace and Centenary churches. Dr. Harker presided. Rev. Mr. Flagg read the scripture lesson and the Rev. J. W. Miller offered prayer. "The Lost Chord" was sung by a quartet of young ladies' voices from the college. Miss Helen Jones sang "Treat Me Not to Leave Thee." In his introductory remarks, Rev. Mr. Davidson spoke of the great work being done by Dr. Harker and the influence for good possessed by such an organization as the Illinois Woman's college. Rev. Mr. Davidson took his text from the 2nd chapter of Galatians in which St. Paul states that "he went up by revelation."

The pastor pointed out the many ways in which God's wish may be revealed by revelation. The will of the Creator may be revealed to man through the marvelous works of nature. Each one of us should contemplate nature in all her glory and contemplate the glory of the God who made it. Manifestations of the eternal may be perceived in the great literature of all ages and all lands. Intimate acquaintance with some soul of rare beauty may reveal to mortal mind the divine love of the Father. If we but keep ourselves clean and unspotted we may perceive on every hand the revelations of a divine intelligence.

A report of the association work at the college was given by Miss Letta Irwin, president of the college Y. W. C. A. She told of the interest being taken this year in mission study and said that eight young ladies would go this year to the students' missionary convention at Lake Geneva, Wis., the latter part of June.

GRADUATION AT

LUTHERAN SCHOOL.

Three graduates will receive diplomas this morning at the annual commencement of the Lutheran school of Salem Evangelical church. They are Irwin Ausdenkamp and Misses Ella Dwyer and Emma Weiland. The Rev. J. G. Kuppler will make the address to the class.

An interesting program has been arranged for the all day picnic to be held Wednesday at Nichols park. Games and various contests will help form diversion for the company.

INSTITUTED LODGE.

Mrs. Myrtle Tandy has returned from Normal, where she instituted a new Rebekah lodge. It has 40 members and is named "Onward, Onward, Rebekah lodge No. 618."

SOCIAL EVENTS.

"The South and Its Work," was the subject for the afternoon at the meeting Monday of the Young Ladies' Missionary society of the Congregational church. The paper by Mrs. D. O. Clark contained an interesting discussion of the negro question and an account of the Fiske jubilee singers, of the university of that name for colored people in Tennessee. One of the young ladies present illustrated this feature of the discussion by singing some of the best melodies of the Fiske company. With the paper and the jubilee songs this last meeting of the year passed in a very pleasant manner. The hostess of the occasion was Mrs. Carrie Daniels, of Grove street.

A delightful luncheon was given by Miss Anna Brown at her West State street home Monday at one o'clock in honor of Miss Corinne Bachelder of Peoria. Eight young lady acquaintances of Miss Brown were present. Miss Bachelder left later in the afternoon for her home.

The Young Women's Missionary society of Grace church met from 3 until 5 Monday at the residence of Mrs. Elizabeth McCullough on East College avenue. The subject, "Missions in China," was ably discussed in a paper by Mrs. Tilson. Dainty refreshments were served by the hostesses Miss Lillian McCullough and Mrs. Cass Hamit.

Mrs. James Conover and Mrs. Lee Crowe, have issued invitations to the "U. C. T." ladies for a sewing to be given at the home of Mrs. Conover, 238 Webster avenue, Thursday afternoon.

Mrs. Miller Weir entertained a small company of friends at a "porch party" Monday afternoon, in honor of Mrs. Edward Dickerman of New Haven, Conn. The hours were spent in a delightful social manner and suitable refreshments were served.

Miss Ollie Lonergan entertained a company of thirty friends at dinner at her home east of Murrayville Sunday. An excellent dinner was served and the afternoon was very pleasantly spent with games and music.

The girls at I. W. C. will give a sing this evening at 6:30 on the bleachers in the rear of the college building. There is no charge and the public is cordially invited to be present.

Mrs. Frank Orear and Miss Kate Haggerty have issued invitations for a reception to be given Thursday afternoon from 3 till 6, in honor of Mrs. George Orear.

The garden party given by Dr. and Mrs. Thomas J. Pitner at Fairview Monday evening was a particularly delightful social event. The guests were members of the board of trustees and the conference visitors of Illinois Woman's college together with their wives. The supper was served out on the beautiful lawn where the scene of garden roses filled the air. Dr. and Mrs. Pitner have a generous hospitality always at their command and so the event lacked nothing last night which could add to its pleasure.

RESIGNS CHAIRMANSHIP.

Topeka, Kan., June 2.—J. N. Dolley today tendered his resignation as chairman of the Republican state central committee, an office he has held for six years. It was stated that Mr. Dolley had joined the Progressive party. It was expected a resolution would be offered calling for a meeting of the state convention to elect a new chairman when a proposed harmony meeting of Republican state leaders is held here tomorrow.

INSPECTORS RAID OFFICE.

Cleveland, O., June 2.—Postoffice inspectors late today raided the offices of the Standard Mercantile company, a mail order grocery concern and arrested Leopold Kahn the proprietor on a charge of using the mails to defraud. A warrant was also issued for Samuel Kohn, who is charged with assisting Kahn in the mail order business. It is charged the company never shipped or intended to ship any groceries to those who sent in orders or made advance payments.
